RE: Funding for Mobile Radio

To whom it may concern,

First, I would like to thank the commission for the funding increase included in the budget thus far this year. As you all very well know, the cost of everything has increased. On our fire station alone, the insurance increased 355%. With that said, we are asking for an additional \$5,306 to purchase a mobile radio for Brush 75. This apparatus is used primarily in the County for brush and wildfires. The portable radios are not dependable in outer reaches of the area. Thank you for your consideration.

The quote for the radio is attached.

Sincerely,

Robert W. Robinson, Fire Chief
