Extended Warranty Proposal

PowerGard™ Protection Plan

75 P EXCAVATOR BASE MACHINE Date: 08-Jan-2026					
Machine/Use Information		Plan Description			
Manufacturer	JOHN DEERE	Plan Type	POWERGARD	Deductible	\$200.00
Equipment Type	Excavators	Warranty Coverage	Comprehensive		
Model	75 P	Total Months	60		
Country	US	Total Hours	5000	Date Quoted	20-Nov-2025
MFWD/Tracks N					
GRACE pricing is only good during the first 12 months or 1000 hours of ownership for new tractors during the John Deere basic warranty period. After this period, DELAYED pricing can be purchased up to the end of the John Deere basic warranty for tractors of 24 months or 2000 hours, and having passed a special inspection/certification process. The Total Months and Hours listed above include the John Deere basic Warranty. "Limited" Plan coverage = Engine & Powertrain only. "Comprehensive" Plan coverage = Full Machine.					

PowerGard Protection Proposal Prepared for:	I have been offered this extended warranty and
Customer Name - Please Print	<input checked="" type="checkbox"/> I ACCEPT the PowerGard Protection
Customer Signature	<input type="checkbox"/> I DECLINE the PowerGard Protection
	If declined, I fully understand that any equipment listed above is not covered for customer Expenses due to component failures beyond the original basic warranty period provided by John Deere.

Note: This is not a contract. For specific PowerGard Protection coverage terms and conditions, please refer to the actual PowerGard Protection Plan contract for more information and the terms, conditions, and limitations of the agreement.

What PowerGard Protection is:

The PowerGard Protection Plan is an **extended warranty** program for reimbursement on parts and labor for covered components that fail due to faulty material or original workmanship that occur beyond the John Deere Basic Warranty coverage period. The agreement is between Deere & Company and the owners of select John Deere Commercial and Agricultural equipment, who purchase the PowerGard Plans for the desired coverage as indicated in this proposal.

What PowerGard Protection is not:

PowerGard Protection is **not insurance**. It also does not cover routine maintenance or high wear items, or insurance-related risks/perils such as collision, overturn, vandalism, wind, fire, hail, etc. It does not cover loss of income or loss of value of crops during or after an equipment failure. See the actual product-specific PowerGard Protection Plan agreement for a complete listing of covered components, and limitations and conditions under the program.

Features/Benefits:

PowerGard Protection includes the following features and benefits under the program:

- Pays for parts and labor costs incurred on failed covered components (less any applicable deductibles).
- Does not require pre-approval before repairs are made by the authorized John Deere dealership.
- Payments are reimbursed directly to the dealership, with no prepayment required by the contract holder.
- PowerGard Protection agreements ensure that only Genuine John Deere Parts are used in all repairs.
- PowerGard coverage is fully transferable to future owners, with no transfer fees when coverage remains.
- PowerGard ensures higher resale value and makes equipment more marketable during the sale or trade-in.
- PowerGard allows you to budget your total cost of ownership, with financing available through John Deere Financial or other sources.
- PowerGard helps prevent large, unexpected repair bills during later years of equipment ownership, in exchange for a smaller protection fee up front.
