INTEROFFICE MEMORANDUM

DATE: July 8, 2026

TO: Mary-Ellen Harper, County Manager
Levy County Board of County Commissioners

FROM: Natalie McKellips
Administrator
Levy County Health Department

SUBJECT: Updated Health Department Fee Schedule

Please find attached an updated Fee Schedule for the Levy County Health Department. We are respectfully requesting the Commission's approval through a Resolution. These fees are county surcharges and are in addition to other statutory charges that may be assessed.

This updated schedule includes some new services such as lab draws for non-clients and a sports physical that includes an EKG.

We have removed the fee for the provision of sharps containers and the disposal of sharps. Sharps containers will now be provided free of charge by the health department as a service to our community.

We have added a fee for a second reinspection of swimming pools as well as a fee to mail birth and death certificates that are ordered online.

Thank you for your consideration.
