

Levy County Board of County Commissioners Agenda Item Summary Form

1. **Name and Title:** Jessie Robinson, Department Director
2. **Department:** Fleet Department
3. **Meeting Date:** Tuesday, September 8, 2026
4. **Requested Action:**

Approve the purchase of two 2026 Chevrolet 1500 Crew Cab trucks from Hardy Chevrolet in the amount of \$46,334.03 each, utilizing the Florida Sheriffs Association Light Vehicle Contract FSA25-VEL33, contract term October 1, 2025 - September 30, 2027.
5. **Cost & Funding Source:**

With a Cost of \$46,334.03 X 2 = \$92,668.06 coming from GL 101-0310-541-64010 Equipment
6. **Justification of Request:**

The vehicles being replaced have exceeded their useful service life and are no longer dependable for daily Road Department operations. These units experience recurring mechanical failures that remove them from service without notice, and replacement components are no longer supplied by the manufacturer as OEM parts, which increases repair costs and extends the time each vehicle sits out of service. The cumulative cost of maintaining vehicles at the end of their service life places an ongoing and unpredictable strain on the annual operating budget without returning proportionate value to the County. The replacement units will be equipped with emergency lighting and will provide the Department with dependable equipment to meet its maintenance obligations, respond to storm events, and address citizen requests without delay caused by equipment being out of service.
