

COLLEGE of CENTRAL FLORIDA

—an equal opportunity college—

May 2, 2025

Mrs. Smith,

As of May 1st, 2024, Holly McGlashan is no longer employed by College of Central Florida. On July 1st, 2024, I was selected as the Dean of the College of Central Florida, Jack Wilkinson Levy Campus. In an effort to ensure that we are honoring our commitments to the boards and committees that Holly served on behalf of the College, I want to express my willingness to serve on the Restore Act committee. I understand that there is a requirement to have a higher education representative and I am happy to serve in that capacity.

Please feel free to share any relevant information with me that you have not already shared once approval has been established for me to represent CF. I hope to provide valuable input and assistance as the committee moves forward. If you have any questions or concerns, please do not hesitate to contact me. My email and phone number can be found below my signature. I look forward to serving on the Restore Act committee!

Sincerely,

Leah Gamble, Dean
