2. **Department:** Emergency Management

4. **Requested Action:**  
Requesting the Levy County Board of County Commissioners to receive a presentation of the New Evacuation Order Strategy Proposal

5. **Cost & Funding Source:**  
No cost associated with this item.

6. **Justification of Request:**  
Levy County has been impacted by several hurricanes in recent years, each prompting declarations of a Local State of Emergency (LSE) and the issuance of evacuation orders for portions of the county. The process of creating and managing these has not been as seamless as we believe they could be. This proposal examines issues identified with each and discusses what we believe to be some areas for improvement moving forward.
