

- Motion: Comm. Meeks
- Second: Comm. Kennedy
- Vote Outcome: 5-0 motion passes

**8. To approve the Certificate of Public Convenience and Necessity (COPCN) for Emergency Air Transport Services by Rocky Mountain Holdings, LLC, d/b/a Air Methods LLC. (Audio 21:20)**

- **Presenter:** Mitch Harrell, Public Safety Director
- **Discussion:** This certificate is required for the entity to operate an air ambulance out of Levy County. This would allow for establishment for aviation medical transports in Levy County. Jerry Forton, Area Manager for Northwest Florida. Helicopter location would be at White Farms Airport in Chiefland. Air Methods is working in partnership with HCA Florida Healthcare. Out of pocket expense is typically less than \$200 average for patients requiring transport. Flight time is 18 minutes from Chiefland to the hospital in Gainesville. This will be a regional asset based in Levy County.
- **Action:**
  - Motion: Comm. Mills motioned to approve.
  - Second: Comm. Kennedy
  - Public Comment: Timothy Eckert- if this is done for Chiefland why not think about having one in Williston and Bronson. Chief Harrell clarified there are landing zones all over the county.
  - Vote Outcome: 5-0 motion passes

**9. To approve the Avtec Consoles as surplus property once they are taken out of service and to provide direction to staff on what to do with the consoles once they are surplus. (Audio 34:30)**

- **Presenter:** Clayton Drew, Communications Manager
- **Discussion:** The Avtec consoles will become surplus property once the new P25 system is operational. The City of Williston Police Department has expressed an interest in the consoles for their dispatch center. Staff is requesting direction from the BoCC as to whether there is an interest in donating or selling the equipment once it is surplus. These are no longer needed for the county and Williston Police have expressed interest. Commissioner Hiers brought to BoCC attention that other Chiefs of Police in Cedar Key and Chiefland agreed in idea to donate to Williston. The radios need to stay together to work as a unit.
- **Action:**
  - Motion: Comm. Hiers motioned to donate to Williston Police.
  - Second: Comm. Kennedy
  - Public Comment: Sue Beaudet & Chief Mike Rolls of Williston would be appreciative of this action if voted in the affirmative. This would increase communications efforts and impact public safety in Levy County.
  - Vote Outcome: 5-0 motion passes and will come back in the form of a resolution for approval to memorialize the action.

**10. Approve the Agreement for Professional Services between Levy County and Clemons, Rutherford and Associates, Inc., effective as of the dates signed by the last party below (the "Effective Date"). (Audio 41:30)**

- **Presenter:** Leatha Keene, Emergency Management Director
- **Discussion:** As documented by Chapter 2024-36, Laws of Florida, Section 6, Specific Appropriation 2725, the Legislature and the Governor appropriated \$10,972,471.00 of Fixed Capital Outlay funds for the design and construction of the "Levy County EOC/911 Center Remodel". The County issued Request for (RFQ) No. 2025\_002 for the professional services described in Article 2, in accordance with the Consultants' Competitive Act. CRA submitted a response to the RFQ and was subsequently selected by the County to provide these services. The County seeks to obtain planning and design services to support the future build of the Levy County EOC/911 Center Remodel.
- **Action:**
  - Motion: Comm. Mills motioned to approve.
  - Second: Comm. Kennedy
  - Vote Outcome: 5-0 motion passes

**11. To approve the Piggy Back off Sumter Countywide Pavement Maintenance and Rehabilitation Continuing Services for Countywide Chip Seal projects. Asphalt Paving Systems, Inc. is proposing to utilize Sumter County Contract, ITB 450-0-2023/RS. (Audio 45:20)**

- **Presenter:** Don Clifton, Road Department Director
- **Discussion:** For road improvements with asphalt, for safety, cost-efficiency, longevity, and community benefits. A roadway in Williston that was slag and being broken up to be repaved. This roadway was approved to be resurfaced in 2002-03 and APS was brought in to save money instead of repaving. This roadway will be chip seal. This could help with other roadways and get them off the grading schedule. This process has been performed in Alachua County previously. This type of roadway would last approximately 15 plus years. There's still maintenance needs with this type of process.
- **Action:**
  - Motion: Comm. Mills
  - Second: Comm. Kennedy
  - Vote Outcome: 5-0 motion passes

**12. Approve the purchase of a 2026 - 48' Mac trailer from Nationwide Haul in the amount of \$108,361.00 off of Florida Sheriff's Contract FSA23-EQU231.0. (Audio 54:50)**

- **Presenter:** Travis Newsome, Assistant Director, Solid Waste
- **Discussion:** Replacement of Asset # 10322 LF 92 Mac Trailer that burned up in September 2025. Funds are coming from our Insurance Claim. Another trailer was damaged and this is an insurance claim.
- **Action:**
  - Motion: Comm. Meeks
  - Second: Comm. Mills
  - Vote Outcome: 5-0 motion passes

**6. Public Hearing – Approve attached Order Denying Special Exception Application No. SE 24-01 (the “Application”), submitted by applicant Jose Lopez of Kimley-Horn, agent for owners Mildred Johns and June Stoeber, which application sought a Special Exception to conduct a mining operation on property located at 11986 NE State Road 24 Archer, Florida 32618, Parcel ID No. 0322100200. (Audio 56:40)**

- **Presenter:** Bernard Cox, Director of Development
- **Discussion:** On December 16, 2025, the Board conducted a public hearing to consider the Application (the “Public Hearing”) and, upon conclusion of the Public Hearing, voted 4-1 to direct the County Attorney to prepare an order denying the Application, to be noticed and placed before the Board for final action pursuant to Section 50-755(c)(4), LDC. Consistent with the Board’s direction, an order denying the Application is attached.
- **Legal Counsel:** Read proposal to deny to the BoCC. Tonight there’s an order to deny for consideration by the BoCC.
- Public hearing was opened by Chairman Hodge.
  - Patrick Krechowski, Balch & Bingham LLP. Attorney out of Jacksonville. Entered memo into record for review. Clerk received memo into the record. Expressed confusion of this order to deny after the applicant met all regulations. This board should make a decision based on competent facts presented.
  - Doug Cliche (Bronson)- made comments on testimony given at previous Quasi Judicial hearing and defended the expert testimony. Named the experts and their qualifications. Restated denial by the BoCC initially and claims the applicant didn’t meet the criteria. Requested to vote to approve the order to deny tonight.
  - Mark Vandeboulder- urging BoCC to approve the motion to deny. Values the rural nature of the county and wants to protect public safety, health and welfare through stopping the harming of the best drinking water in the world. The project would create more harm than it would help the greater community.
- Public hearing was closed by Chairman Hodge.
- **Action:**
  - Motion: Comm. Kennedy makes a motion to approve the order to deny.

- Second: Comm. Hiers
- Commissioner Comments:
  - Commissioner Mills stated Levy County needs sand and this application just did not work. County hired a contractor and was let down.
  - Commissioner Hiers stated finding the right location is necessary. There is a place and a need. Trucks on the road pay heavy road taxes. We are not against trucks. Most goods are delivered on trucks.
  - Commissioner Meeks commented that another application that comes through it needs to be complete and issues addressed. County staff need to do better and even though it was subcontracted out staff should have made sure it was sufficient. We will need sand to continue building in Levy County.
  - Commissioner Hodge stated the big trucks are needed for building. Not against sand mines.
- Vote Outcome: 4-1 motion passes (Comm. Meeks votes no)

**7. Public Hearing – Adopt Ordinance Number 2025-10: AN ORDINANCE OF LEVY COUNTY, FLORIDA, AMENDING THE INFRASTRUCTURE ELEMENT, THE CONSERVATION ELEMENT AND THE INTERGOVERNMENTAL COORDINATION ELEMENT OF THE LEVY COUNTY COMPREHENSIVE PLAN BASED ON AN UPDATED REGIONAL WATER SUPPLY PLAN AS REQUIRED BY SECTION 163.3177(6)(C)4, FLORIDA STATUTES; PROVIDING FOR EXCLUSION FROM CODIFICATION; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A REPEALING CLAUSE; PROVIDING DIRECTION TO THE CLERK AND COUNTY STAFF; AND PROVIDING EFFECTIVE DATES. (Audio 1:19:02)**

- **Presenter:** Bernard Cox, Director of Development
- **Discussion:** An Ordinance of Levy County, Florida, amending the current Levy County Comprehensive Plan to adopt, by reference, the Levy County Water Supply Facilities Work Plan (WSFWP) and to update related provisions of the Infrastructure, Conservation, and Intergovernmental Coordination Elements. This amendment is required by Section 163.3177(6)(c)4, Florida Statutes, which mandates adoption of a local WSFWP within 18 months after the applicable Water Management District adopts a Regional Water Supply Plan in March 2024, requiring Levy County to adopt it's WSFWP by September 2025. This is the second reading of the ordinance.
- Public hearing was opened by Chairman Hodge.
  - Timothy Eckert (Williston)- didn't understand the staff member and what was presented.
  - Bo Cox clarified this is work that's being done at University Oaks water utility and this is to update the water system to meet state requirements.
- Public hearing was closed by Chairman Hodge.
- **Action:**
  - Motion: Comm. Mills motioned to approve.
  - Second: Comm. Meeks
  - Vote Outcome: 5-0 motion passes

**PUBLIC COMMENT:** NONE
