6. Justification of Request:

The BoCC approved Piggy Backing off Sumter County Contract, ITB 450-0-2023/RS for Countywide Chip Seal projects on January 27, 2026.

The resurfacing of approximately 1.5 miles of NE 160th Avenue is necessary to improve roadway conditions, enhance safety, and provide a more durable driving surface for the public. This improvement will extend the service life of the roadway and reduce ongoing maintenance demands. NE 160th Ave will remain under County maintenance, resurfacing this segment will eliminate the need for routine grading within the improved limits, resulting in increased maintenance efficiency, reduced operational costs, and improved service delivery.
