Dear Mrs. Harper,

The bids for ROAD CONSTRUCTION-WIDENING AND RESURFACING COUNTY ROAD 330 were opened on September 26, 2025, at 2pm.

The bids that were received are listed below:

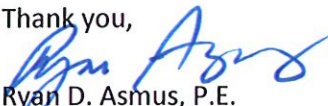

Bidder	Total Base Bid	Total Alt	Total Bid (Base + Alt)
Watson Construction	\$ 4,636,154.00	\$ 518,251.20	\$ 5,154,405.20
V.E. Whitehurst and Sons	\$ 3,972,012.79	\$ 361,893.33	\$ 4,333,906.12
Preferred Materials	\$ 5,165,287.77	\$ 193,052.14	\$ 5,358,339.91
Superior Asphalt	\$ 6,891,217.30	\$ 433,783.70	\$ 7,325,001.00
Anderson Columbia	\$ 3,926,375.01	\$ 373,458.39	\$ 4,299,833.40

The lowest total bid submitted was by Anderson Columbia. Anderson Columbia is a qualified FDOT approved contractor for the work mixes required for this project.

The bid summary is attached comparing the average unit prices to the bid prices for the two lowest bids submitted. The summary includes an assessment evaluating the unit prices that are over by a percentage greater than 20% to ensure that there isn't any unit price loading in the contract. There were two pay items that were found to be more than 20% by the low bidding contractor. Based on the FDOT 6-month historical average unit prices for these pay items it does not appear that there is any unit price loading by the lowest bidder. The plans have been reviewed to ensure that the quantities for these pay items are correct and no discrepancies have been found.

Based on the Bid Summary and the evaluation, I recommend the County enter a contract Anderson Columbia to construct the improvements on CR 330.

Thank you,

Ryan D. Asmus, P.E.
