### SYSTEMS ACCESS

The **System Access Form** is submitted with each new disaster or emergency declaration to identify the Subrecipient's contacts for the FDEM Grants Management System in order to enter notes, review notes and documents, and submit the documentation necessary to work the new event. The Systems Access Form is originally submitted as Attachment "B" to the PA Funding Agreement. The Subrecipient is responsible for regularly reviewing its contacts. Contacts should be removed within 14 days of separation, retirement, or are reassignment by the Subrecipient. A new form will only be needed if all listed contacts have separated from the Agency. If a new Systems Access form is submitted, all Agency Representatives currently listed as contacts that are not included on the updated form will be deleted from FDEM Grants Management System for the specified grant. All users must log in on a monthly basis to keep their accounts from becoming locked. **Note: the Systems Access Form is NOT a delegation of authority. A signatory must have an attached delegation of authority as appropriate.**

#### Instructions for Completion

Complete the form in its entirety, listing the name and information for all representatives who will be working in the FDEM Grant Management System. Users will be notified via email when they have been granted access. The user must log in to the FDEM Grants Management System within twelve (12) hours of being notified or their account will lock them out. Each user must log in within a sixty (60) day period or their account will lock them out. In the event you try to log in and your account is locked, users must submit a request for unlocking to [RPA.Help@em.myflorida.com](mailto:RPA.Help@em.myflorida.com).

The form is divided into twelve blocks; each block must be completed where appropriate.

**Block 1:** "Authorized Agent" – This should be the highest authority in your organization who is authorized to sign legal documents on behalf of your organization. A subsequent new Authorized Agent must be designated through a letter on letterhead from the Subrecipient's Authorized Representative. It is recommended to delegate this authority to an organizational staff member to avoid delays in grant management (Only one Authorized Agent is allowed, and this person will have full access/authority unless otherwise requested).

**Block 2:** "Primary Contact" – This is the person designated by your organization to receive all correspondence and is our main point of contact. This contact will be responsible for answering questions, uploading documents, and submitting reports/requests in FDEM Grants Management System. The Authorized Agent may designate a new Primary Contact. (Only one Primary Contact is allowed, and this contact will have full access).

**Block 3:** "Alternate Contact" – This is the person designated by your organization to be available when the Primary is not. Either the Authorized Agent or Primary Contact may designate a new Alternate Contact. (Only one Alternate Contact is allowed, and this contact will have full access).

**Block 4, 5, and 6:** "Other" (Finance/Point of Contact, Risk Management-Insurance, and Environmental-Historic). Providing these contacts is essential in the coordination and communication required between State and Local subject matter experts. We understand that the same agent may be identified in multiple blocks, however we ask that you enter the name and information again to ensure we are communicating with the correct individuals.

**Block 7 – 12:** "Other" (Read Only Access) – There is no limit on "Other" contacts, but we ask that this be restricted to those that are going to actually need to log in and have a role in reviewing the information. This designation is only for situational awareness purposes as individuals with the "Other Read-Only" designation cannot take any action in FDEM Grants Management System.

**Note: The Systems Access Form is NOT a delegation of authority. A signatory must have an attached delegation of authority as appropriate.**
