**WHEREAS**, such benefits are for the ultimate good of the State of Florida, its resources, wildlife, and public welfare.

### **TERMS OF THE AGREEMENT**

The Commission and the Recipient, for the considerations stated in this Agreement, agree as follows:

#### **Section 1. PROJECT DESCRIPTION.**

The Recipient shall provide the services and perform the specific responsibilities and obligations, as set forth in the Scope of Work, attached hereto as Attachment A, which specifically identifies project tasks and accompanying deliverables. These deliverables must be submitted and approved by the Commission prior to any payment. The Commission will not accept any deliverable that does not comply with the specified required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If this Agreement is the result of Recipient responses to the Commission’s request for competitive or other grant proposals, the Recipient’s response is hereby incorporated by reference.

**Section 2. PERFORMANCE.**

The Recipient shall perform the activities described in Attachment A in a proper and satisfactory manner. Unless otherwise provided for in Attachment A, any and all equipment, products or materials necessary or appropriate to perform under this Agreement shall be supplied by the Recipient. The Recipient shall obtain all necessary local, state, and federal authorizations necessary to complete this project, and the Recipient shall be licensed as necessary to perform under this Agreement as may be required by law, rule, or regulation; the Recipient shall provide evidence of such compliance to the Commission upon request. The Recipient shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Agreement. By acceptance of this Agreement, the Recipient warrants that it has the capability in all respects to fully perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible Recipient. The Recipient shall immediately notify the Commission's Grant Manager in writing if its ability to perform under the Agreement is compromised in any manner during the term of the Agreement. The Commission shall take appropriate action, including potential termination of this Agreement, in the event the Recipient's ability to perform under this Agreement becomes compromised.

**Section 3. AGREEMENT PERIOD.****A. Agreement Period and Commission's Limited Obligation to Pay.**

The Agreement shall be effective upon execution by the last Party to sign and shall remain in effect through 06/30/2027.

However, if this Agreement is made pursuant to a grant award as authorized by Rule 68-1.003, F.A.C., the referenced grant programs may execute Agreements with a retroactive start date of no more than sixty (60) days, provided that approval is granted from the Executive Director or his/her designee and that it is in the best interest of the Commission and State to do so. For this Agreement, the retroactive start date was not approved. The Commission's Grant Manager shall confirm the specific start date of the Agreement by written notice to the Recipient. The Recipient shall not be eligible for reimbursement or compensation for grant activities performed prior to the start date of this Agreement nor after the end date of the Agreement. For this Agreement, pre-award costs are not eligible for reimbursement. If necessary, by mutual agreement as evidenced in writing and lawfully executed by the Parties, an Amendment to this Agreement may be executed to lengthen the Agreement period.

**B. Extension.**

The Commission may extend this Agreement upon agreement of both Parties through an Amendment, provided the funding source permits additional time prior to expiration of funding.

**Section 4. COMPENSATION AND PAYMENTS.****A. Compensation.**

As consideration for the services rendered by the Recipient under the terms of this Agreement, the Commission shall pay the Recipient on a cost reimbursement basis in an amount not to exceed \$869,460.

**B. Payments.**

The Commission shall pay the Recipient for satisfactory performance of the tasks identified in Attachment A as evidenced by the completed deliverables, upon submission of invoices, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Commission's Grant Manager. Unless otherwise specified in Attachment A, invoices shall be due monthly, commencing from the start date of this Agreement. Invoices must be legible and must clearly reflect the Deliverables that were provided in accordance with the terms of the Agreement for the invoice period. Unless otherwise specified in Attachment A, a final invoice shall be submitted to the Commission no later than forty-five (45) days following the expiration date of this Agreement to assure the availability of funds for payment. Further, pursuant to Section 215.971(1)(d), F.S., the Commission may only pay the Recipient for allowable costs resulting from obligations incurred during the Agreement period.

**C. Invoices.**

Each invoice shall include the Commission Agreement Number and the Recipient's Federal Employer Identification (FEID) Number. Invoices, with supporting documentation, may be submitted electronically to the attention of the Commission's Grant Manager. If submitting hard copies, an original and two (2) copies of the invoice, plus all supporting documentation, shall be submitted. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. Recipient acknowledges that the Commission's Grant Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

**D. Match**

If this Agreement is made pursuant to a grant award as authorized by Rule 68-1.003, F.A.C., the Recipient is not required to contribute non-federal match towards this Agreement. If applicable, details regarding specific match requirements are included in Attachment A.

**E. State Obligation to Pay.**

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation and authorization to spend by the Legislature. The Parties hereto understand that this Agreement is not a commitment to future appropriations but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Agreement, and as to what constitutes an

“annual appropriation” of funds to complete this Agreement. If such funds are not appropriated or available for the Agreement purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission’s Grant Manager shall notify the Recipient in writing at the earliest possible time if funds are not appropriated or available.

#### **F. Non-Competitive Procurement and Rate of Payment.**

Section 216.3475, F.S., requires that under non-competitive procurements, a Recipient may not receive a rate of payment in excess of the competitive prevailing rate for those services unless expressly authorized in the General Appropriations Act. If applicable, Recipient warrants, by execution of this Agreement, that the amount of non-competitive compensation provided in this Agreement is in compliance with Section 216.3475, F.S.

#### **G. Cost Reimbursement**

If the Compensation section indicates this is a cost reimbursement Agreement, the Recipient shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in Attachment A. To be eligible for reimbursement, costs must follow the requirements of Section 215.971, F.S. and must also be in compliance with other laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the [Reference Guide for State Expenditures](#).

Invoices submitted for cost reimbursement must be itemized by expenditure category as outlined in the approved Agreement budget. Additionally, the invoice must evidence the completion of all tasks required to be performed for the deliverable and must show that the Recipient met the minimum performance standards established in the Agreement. The Commission is required to maintain detailed supporting documentation and to make it available for audit purposes. By submission of the payment request, the Commission is certifying that the detailed documentation to support each item on the itemized invoice is on file at the agency and is available for audit.

Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for the categories in the approved Agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided. The Commission may require more detailed documentation as deemed appropriate to satisfy that the terms of the Agreement have been met.

Listed below are types and examples of their supporting documentation:

- i. **Salaries:** Timesheets that support the hours worked on the project or activity must be kept. A payroll register or similar documentation should be submitted and maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net

pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

- ii. **Tuition:** If the Commission determines tuition, stipends, and/or waivers are allowable costs, the payments must result from obligations incurred during the specified Agreement period. Documentation must be provided to show compliance with 215.971, F.S. Examples include but are not limited to keeping timesheets/time and effort reports/logs that support the hours worked on the project or activity. If an individual for whom tuition, stipends and/or waivers are being claimed are paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- iii. **Fringe Benefits:** Supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the Agreement specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.
  - a. Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- iv. **Travel:** To the extent the Commission determines travel is an allowable cost, reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher along with supporting receipts and invoices.
- v. **Other Direct Costs:** To the extent the Commission determines other direct costs are allowable, reimbursement will be made based on paid invoices/receipts and proof of payment processing (cancelled/processed checks and bank statements).
- vi. **In-House Charges:** Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- vii. **Indirect Costs:** To the extent the Commission determines that indirect costs are allowable, and the Agreement specifies that indirect costs will be paid based on a specified rate, then the calculation should be provided in the Agreement's budget breakdown. Indirect costs must be in the approved Agreement budget and the Recipient must be able to demonstrate that the costs are not duplicated elsewhere as direct costs. All indirect cost rates must be evaluated for reasonableness and for allowability and must be allocated consistently.

For cost reimbursement Agreements with another State agency (including State universities):

In lieu of the detailed documentation described above, alternative documentation may be submitted to substantiate the costs requested to be reimbursed. This alternative documentation may be in the form of FLAIR reports or other reports containing sufficient detail.

**H. Time Limits for Payment of Invoices.**

Payments shall be made in accordance with Sections 215.422 and 287.0585, F.S., which govern time limits for payment of invoices. Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve Deliverables, unless Attachment A specifies otherwise. If payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the Deliverables are received, inspected and approved, a separate interest penalty set by the Department of Financial Services pursuant to Section 55.03(1), F.S., will be due and payable in addition to the invoice amount. Invoices returned to a Recipient due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the agency.

**I. Electronic Funds Transfer.**

Recipient agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer, within thirty (30) days of the date the last Party has signed this Agreement. Copies of the Authorization form and a sample blank enrollment letter can be found on the vendor instruction page at: <https://www.myfloridacfo.com/division/aa/vendors>. Questions should be directed to the State of Florida's EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

**J. Vendor Ombudsman.**

A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a State agency, may be contacted at (850) 413-5516 or by calling the Chief Financial Officer's Hotline, (800) 342-2762.

**Section 5. RETURN OR RECOUPMENT OF FUNDS****A. Unobligated Funds.**

Pursuant to Section 215.971(1)(d)-(e), F.S., the Commission may only pay the Recipient for allowable costs resulting from obligations incurred during the Agreement period, and any balance of unobligated funds that has been advanced or paid must be refunded to the Commission. Any funds paid in excess of the amount to which the Recipient is entitled under the terms and conditions of the Agreement must be refunded to the Commission as well.

**B. Overpayments to Recipient.**

Pursuant to Section 215.971(1)(f), F.S., any funds paid in excess of the amount to which the Recipient is entitled under the terms and conditions of the Agreement must be refunded to the Commission. In the event the Recipient or its independent auditor discovers that overpayment has been made, the Recipient shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In the event the Commission first discovers an overpayment has been made, the Commission will notify the Recipient in writing. Should

repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Section 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Grant Manager and made payable to the "Florida Fish and Wildlife Conservation Commission."

**C. Additional Costs or Monetary Loss Resulting from Recipient Non-Compliance.**

If the Recipient's non-compliance with any provision of the Agreement results in additional cost or monetary loss to the Commission or the State of Florida to the extent allowed by Florida Law, the Commission can recoup that cost or loss from monies owed to the Recipient under this Agreement or any other agreement between Recipient and the Commission. In the event the discovery of this cost or loss arises when no monies are available under this Agreement or any other agreement between the Recipient and the Commission, the Recipient will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. If the Recipient is unable to repay any cost or loss to the Commission, the Commission shall utilize remedies available by law and may notify the State of Florida, Department of Financial Services, pursuant to Section 17.0415, F.S.

**Section 6. COMMISSION EXEMPT FROM TAXES, PROPERTY EXEMPT FROM LIEN.**

**A. Commission Exempt from Taxes.**

The Recipient recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Agreement. The Recipient is placed on notice that this exemption generally does not apply to nongovernmental entity recipients, subrecipients, contractors, or subcontractors. Any questions regarding this tax exemption should be addressed to the Commission's Grant Manager.

**B. Property Exempt from Lien.**

If the Agreement involves the improvement of real property titled to the State of Florida, then the following paragraph applies:

The Recipient acknowledges that Property being improved is titled to the State of Florida and is not subject to lien of any kind for any reason. The Recipient shall include notice of such exemptions in any subcontracts and purchase orders issued hereunder.

**Section 7. MONITORING.**

The Commission's Grant Manager shall actively monitor the Recipient's performance and compliance with the terms of this Agreement. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific State and Federal monitoring terms and conditions are found in the Requirements of the Federal and Florida Single Audit Acts, Attachment B. Monitoring terms, conditions, and schedules may be included in Attachment A.

**Section 8. TERMINATION.****A. Commission Unilateral Termination.**

The Commission may unilaterally terminate this Agreement for convenience by providing the Recipient with thirty (30) calendar days of written notice of its intent to terminate. The Recipient shall not be entitled to recover any cancellation charges or lost profits. The Recipient may request termination of the Agreement for convenience.

**B. Termination – Fraud or Willful Misconduct.**

This Agreement shall terminate immediately in the event of fraud or willful misconduct. In the event of such termination, the Commission shall provide the Recipient with written notice of termination.

**C. Termination – Funds Unavailability.**

In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, the Commission may terminate this Agreement upon no less than twenty-four (24) hours' notice in writing to the Recipient. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, the Recipient will be compensated for any work satisfactorily completed and any non-cancellable obligations properly incurred prior to notification of termination.

**D. Termination – Other.**

The Commission may terminate this Contract if the Recipient fails to: 1.) comply with all terms and conditions of this Agreement; 2.) produce each deliverable within the time specified by the Agreement or extension; 3.) maintain adequate progress, thus endangering the performance of the Agreement; or, 4.) abide by any statutory, regulatory, or licensing requirement. The Commission shall give written notice to the Recipient of its intent to terminate the Agreement for cause. In the notice, the Commission shall provide an opportunity for the Recipient to correct the deficiency or provide a corrective action plan to correct the deficiency for the Commission, in its sole determination, to approve or disapprove. If no corrective action plan is submitted and approved, the Recipient shall cure the deficiencies cited by the Commission in its notice within fifteen (15) calendar days of receipt of such notice. If the Recipient does not cure the deficiencies to the Commission's satisfaction within the fifteen (15) calendar days, or within the time proscribed in an approved corrective action plan if one was provided, the Agreement will be terminated for cause. At that time, the Commission will send a second notice to the Recipient noting that this Agreement is being terminated for cause upon receipt of the notice and documenting the reasons this Agreement is being terminated. The Commission reserves the right in its sole discretion, to

determine if the Recipient's deficiencies are legally excusable, or to extend the time to cure the deficiencies in writing. The Recipient's damages for termination for cause shall be limited to the cost of work actually performed and approved by the Commission. Section 287.1351, F.S., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Agreement. Recipient shall not be entitled to recover any cancellation charges.

**E. Recipient Discontinuation of Activities upon Termination Notice.**

Upon receipt of notice of termination, the Recipient shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Agreement, the Recipient shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

**Section 9. REMEDIES.**

**A. Financial Consequences.**

In accordance with Sections 215.971(1)(a) & (b), F.S., Attachment A contains clearly established tasks in quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable specifies the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If the Recipient fails to produce each deliverable within the time frame specified by Attachment A, the budget amount allocated for that deliverable will be reduced by ten percent (10%) from the Recipient's payment, unless otherwise modified by Attachment A.

In addition, pursuant to Section 215.971(1)(c), the Commission shall apply any additional financial consequences as listed below or as identified in Attachment A.

- i. Temporarily withhold payments pending correction of the deficiency by the Contractor.
- ii. Reduction of payment if correction of deficiency is not made by the Contractor.

The Commission may, at any time, by written order, make a change to this Agreement. Such changes are subject to the mutual agreement of both Parties as evidenced in writing. Upon request, Recipient shall furnish a copy of technical certification or other proof of qualification.

**C. Commission Security.**

All employees, subrecipients, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Recipient shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Recipient. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's other requirements. Such refusal shall not relieve Recipient of its obligation to perform all work in compliance with the Agreement. The Commission, in coordination with the Recipient, may reject and bar from any facility for cause any of Recipient's employees, subcontractors, or agents.

**D. Commission Rights to Assign or Transfer.**

The Recipient agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida, upon giving prior written notice to the Recipient.

The Recipient must provide the Commission with the names of any subrecipient or subcontractor considered for work under this Agreement; the Commission reserves the right to reject any subrecipient or subcontractor. The Recipient agrees to be responsible for all work performed and all expenses incurred with the project. Any subrecipient or subcontract

Recipient's failure to pay its subcontractors within seven (7) working days will result in a penalty charged against the Recipient and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

If entering a subrecipient agreement is permitted pursuant to Paragraph A above, Recipient agrees to make payments to the subrecipient for satisfactory performance of the tasks/deliverables identified in the subrecipient agreement. Recipient shall pay subrecipient following the same procedures described in paragraph 4 of this Agreement upon submission of invoices for allowable expenses, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Recipient.

**D. Subcontractor and Subrecipient Conflict of Interest.**

If subcontracting or entering a subrecipient agreement is permitted pursuant to Paragraph A above, the Recipient agrees to take such actions as may be necessary to ensure that each subcontractor or subrecipient covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each Party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Recipient, as applicable subrecipient or subcontractor, and the Commission.

**Section 15. MANDATORY DISCLOSURE.**

These disclosures are required by State law, as indicated, and apply when this Agreement includes State funding; and by Federal law, as indicated, and apply when the Agreement includes a Federal award.

### **A. Disclosure of Interested State Employees.**

This Agreement is subject to Chapter 112, F.S. Recipient shall provide the name of any officer, director, employee, or other agent who is affiliated with this project and an employee of the State of Florida. - iv. If the Parties cannot agree upon a Florida Supreme Court certified mediator, then the Parties shall request the Chief Judge of the Second Judicial Circuit in Leon County, Florida, to appoint a Florida Supreme Court certified mediator.
  - a. The mediator's fees shall be born equally by the Parties involved in the mediation and shall pay all of its own attorneys' fees and expenses related to the mediation unless otherwise agreed.
  - b. Unless otherwise agreed by the Parties in writing, such mediation shall take place within forty-five (45) days of the appointment of, or agreement to, the mediator if the mediator's schedule so allows.
  - c. The terms of this Agreement and any dispute relating thereto will be governed by the laws of the State of Florida, any litigation will be brought in the state or federal court in

and for Tallahassee, Florida, and you agree to submit to the exclusive jurisdiction of the state and federal courts located in and for the Leon County, State of Florida.

- d. All Parties agree to negotiate in good faith in an effort to settle any dispute. All Parties shall have a representative present at mediation with the authority to settle the case.
- v. Any resolution achieved at mediation shall be set forth in a written settlement agreement.
- vi. The Recipient shall require all the dispute resolution provisions and requirements set out in this Section in each contract it makes with any Subcontractor, material supplier, equipment supplier, or fabricator.

Unless otherwise agreed in writing, the Recipient shall carry on the Work and maintain its performance of this Agreement during any claim, dispute, or mediation.

If any matter sought to be mediated by the Commission or the Recipient involves a claim or other matter by or against the Consultant, any Subcontractor, any Separate Contractor, or any other third party, or any such entity is reasonably necessary to be joined in the mediation to permit a full and complete disposition of the dispute submitted hereunder, then the Consultant, Subcontractor, Separate Contractor or third party shall be joined by personal service of the notice demanding mediation.

Such termination of the mediation shall not preclude any party from commencing any judicial proceeding in a court of competent jurisdiction in Leon County, Florida, providing the claims sought to be decided are not otherwise barred.

Any demand for mediation and any answer to such demand must contain a written statement of each claim alleged and the dollar amount in controversy sought in each claim.

Should mediation fail to resolve the claim submitted, the Parties may then proceed to seek applicable remedies at law.

The agreement to mediate set forth in this Section shall apply to, and become part of, any Subcontract, any contract into which these General Conditions are incorporated by reference or otherwise, and the Parties to such contract shall mediate all disputes arising out of, or in any way relating to, that contract or the Project in accordance with the provisions of this Section.

**Section 29. SEVERABILITY, CHOICE OF LAW, AND CHOICE OF VENUE.**

This Agreement has been delivered in the State of Florida. Florida law governs this Agreement, all agreements arising under or out of this Agreement, and any legal action or other proceeding of any kind designed to resolve a dispute that arises out of or relates to this Agreement. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under

applicable law. If a court or other tribunal finds any provision of this Agreement unenforceable as written, the unenforceable provision(s) shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision and the remaining provisions of this Agreement. The Parties have selected the Second Judicial Circuit in Leon County, Florida, as the mandatory and exclusive forum for resolving any dispute, in law or equity, that arises out of or relates to the Parties' transactions. By signing this Agreement, Recipient affirms that Recipient considers the Second Judicial Circuit to be a fair and convenient forum for any legal action or other proceeding of any kind designed to resolve such a dispute. The Recipient will not initiate in any other forum a legal action or other proceeding to which this provision applies.

### **Section 30. JURY TRIAL WAIVER.**

As part of the consideration for this Agreement, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Agreement, or with the products or services provided under this Agreement, including but not limited to any claim by the Recipient of *quantum meruit*.

### **Section 31. NO THIRD-PARTY RIGHTS.**

The Parties hereto do not intend, nor shall this Agreement be construed, to grant any rights, privileges or interest to any person not a party to this Agreement.

### **Section 32. PROHIBITION OF UNAUTHORIZED ALIENS.**

In accordance with Federal Executive Order 96-236, the Commission shall consider the employment by the Recipient of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this Agreement if the Recipient knowingly employs unauthorized aliens.

### **Section 33. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY).**

#### **A. Requirement to Use E-Verify.**

Section 448.095(2) Florida Statute requires the Contractor to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the Contract term; and 2.) include in all subcontracts under this Contract, the requirement that subcontractors performing work or providing services pursuant to this Contract utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.

#### **B. E-Verify Online.**

E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new

employees hired to work in the United States. The Department of Homeland Security's E-Verify system can be found online at <https://www.e-verify.gov>.

**C. Enrollment in E-Verify.**

As a condition precedent to entering a Contract with the Commission, Contractors and Subcontractors shall register with and use the E-Verify system. Failure to do so shall result in the Contract not being issued, or if discovered after issuance, termination of the Contract.

**D. E-Verify Recordkeeping.**

The Contractor further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Contractor's enrollment in the program. This includes maintaining a copy of proof of the Contractor's and subcontractors' enrollment in the E-Verify Program. If a contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of the contract.

**E. Employment Eligibility Verification & Compliance.**

Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Contract and the Commission may treat a failure to comply as a material breach of the Agreement. If the Commission terminates the Contract pursuant to Section 448.095(2)(c) Florida Statute, the contractor may not be awarded a public contract for at least 1 year after the date on which the contract was terminated and the Contractor is liable for any additional costs incurred by The Commission as a result of the termination of this Contract.

**Section 34. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.**

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Recipient believes is excusable under this paragraph, Recipient shall notify the Commission's Grant Manager in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Recipient could reasonably foresee that a delay could occur as a result; or (2) within five (5)

calendar days after the date Recipient first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE RECIPIENT'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Recipient of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. Recipient shall not be entitled to an increase in the Agreement price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Recipient shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from Recipient, provided that Recipient grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Recipient for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

### **Section 35. TIME IS OF THE ESSENCE.**

Time is of the essence regarding the performance obligations set forth in this Agreement. Any additional deadlines for performance for Recipient's obligation to timely provide deliverables under this Agreement including but not limited to timely submittal of reports, are contained in Attachment A.

### **Section 36. REPORTING REQUIREMENTS CONCERNING EXECUTIVE ORDER 20-44.**

This term does not apply to governmental entities.

If this Agreement is a sole-source, public-private agreement or if the Recipient, through this Agreement with the State, annually receives 50% or more of their budget from the State or from a combination of State and Federal funds, the Recipient shall provide an annual report (Executive Order 20-44 Attestation Form, Attachment C), including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.

The Recipient must also inform the Commission's Grant Manager of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Recipient.

**Section 37. MEDIA REQUESTS.**

Recipients shall refer all requests by the media or public relations personnel to the Commission’s Grant Manager. Recipients must submit a written request for permission before consulting with the media and the Commission will provide consultation and talking points. Recipients will not issue news releases, respond to questions, or make statements on behalf of the Commission or its partners without prior direction and the Commission’s written approval. Production and filming requests related to this Agreement shall be processed through the Commission only.

**Section 38. USE OF SMALL UNMANNED AIRCRAFT SYSTEMS**

Unless superseded or otherwise further described in Attachments A, if the Recipient intends to use a small unmanned aircraft system (sUAS) at any time throughout the duration of the Agreement, the Recipient shall request approval from the Commission, in writing, prior to use. Upon request by the Commission, the Recipient shall provide all required documentation, such as license or certification, flight plans, and registrations. The Commission will notify the Recipient in writing of the approval or rejection of the request. If approved, the Recipient will be provided with the Commission’s policies, and is responsible and liable for adhering to any and all rules and regulations, including the Commissions policies, applicable to operating sUAS.

**Section 39. ENTIRE AGREEMENT.**

This Agreement with all incorporated attachments and exhibits represents the entire Agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. ## Monitoring Guidelines

Florida has enhanced state and local capacity for public boating access through various funding sources including state and federal grant funds. The Florida Fish and Wildlife Conservation Commission (FWC) has a responsibility to track and monitor the status of grant activity and items purchased to ensure compliance with applicable U.S. Fish and Wildlife Service (USFWS) grant guidance and statutory regulations. The monitoring process is designed to assess a Grantee/Recipient or Sub-Recipient's (hereafter collectively referred to as Recipient) compliance with applicable state and federal guidelines.

Monitoring is accomplished utilizing various methods including desk monitoring and on-site visits. There are two primary areas reviewed during monitoring activities – financial and programmatic monitoring. Financial monitoring is the review of records associated with the purchase and disposition of property, projects and contracts. Programmatic monitoring is the observation of project construction, protocols and other associated records. Various levels of financial and programmatic review may be accomplished during this process.

Desk monitoring is the review of projects, financial activity and technical assistance between FWC and the applicant via e-mail and telephone or other electronic means. Quarterly Reports to be submitted by the Recipient are also a form of Desktop Monitoring and shall be current prior to reimbursement. On-site monitoring are visits to the Recipient agencies by FWC representatives who examine records, procedures and projects.

### No Conflict of Interest:

Grant Managers shall complete the Agency 'No Conflict of Interest' form at the time they are assigned/assume responsibility for an agreement. If a conflict exists, the Grant Manager shall notify their immediate supervisor at the earliest opportunity. The supervisor is responsible to reassign the Agreement or coordinate with leadership and/or Legal to determine the appropriate resolution.

### Frequency of annual monitoring activity:

Each year the FWC will conduct monitoring based on a pre-award "Risk Assessment". The risk assessment tool is used to help in determining the priority of Recipients that should be reviewed and the level of monitoring that should be performed. It is important to note that although a given grant may be closed, it is still subject to either desk or on-site monitoring up to twenty (20) years following closure.

### Areas that will be examined may include:

- Management and administrative procedures;
- Grant folder maintenance;
- Accounting system;
- Program for obsolescence;
- Status of expenditures;
- Status of planning, design and engineering activity;
- Anticipated projected completion;
- Difficulties encountered in completing projects;
- Agency NEPA/Section 7/EHP compliance documentation;
- Equal Employment Opportunity (EEO Status);
- Americans with Disabilities Act (ADA Status);
- Procurement Policy
- Procurement documents
- Subcontractor agreements if applicable

FWC may request additional monitoring/information if the activity, or lack thereof, generates questions from the USWFWS region, or FWC leadership. The method of gathering this information will be determined on a case-by-case basis.

Desk monitoring is an on-going process. Recipients will be required to participate in desk top monitoring as determined by FWC. This contact will provide an opportunity to identify the need for technical assistance (TA) and/or a site visit if FWC determines that a Recipient is having difficulty completing their project.

As difficulties/deficiencies are identified, the respective Recipient will be notified by the program office via email. Information will include the Recipient agency name, year and project description and the nature of the issue in question. Many of the issues that arise may be resolved at the Recipient level. Issues that require further TA will be assisted by FWC grant program staff. Examples of TA include but are not limited to:

- Eligibility of items or services
- Coordination and partnership with other agencies
- Record Keeping
- Reporting Requirements
- Documentation in support of a Request for Reimbursement

On-Site Monitoring will be conducted by FWC or designated personnel. On-Site Monitoring visits will be scheduled in advance with the Recipient agency Point of Contact (POC) designated in the funding agreement.

FWC will also conduct coordinated financial and grant file monitoring. Subject matter experts from other agencies within the region or state may be called upon to assist in the form of a peer review as needed.

#### On-Site Monitoring Protocol:

On-Site Monitoring Visits will begin with those Recipients that are currently spending or have completed spending for that federal fiscal year (FFY) or state fiscal year (SFY), as applicable. Site visits may be combined when geographically convenient. There is a financial/programmatic on-site monitoring checklist to assist in the completion of all required tasks.

#### Site Visit Preparation:

An email will be sent to the Recipient agency POC outlining the date, time and purpose of the site visit before the planned arrival date.

The appointment should be confirmed with the Recipient in writing (email is acceptable) and documented in the Recipient folder.

The physical location of the project if located at an alternate site should be confirmed with a representative from that location and the address should be documented in the Recipient folder before the site visit.

#### On-Site Monitoring Visit:

Once FWC personnel have arrived at the site, an orientation conference will be conducted. During this time, the purpose of the site visit and the items FWC intends to examine will be identified. All objectives of the site visit will be explained at this time.

FWC personnel will review all files and supporting documentation. Once the supporting documentation has been reviewed, a tour/visual/spot inspection of the project site will be conducted.

All project deliverables selected for review should be visually inspected whenever possible. Acknowledgement of project funding should be placed in a prominent location in accordance with applicable agreement provisions. Photographs should be taken of the project site, signage and any other relevant activity.

If a project deliverable is not available at the time of the site visit, the appropriate documentation must be provided to account for the project progress.

Other programmatic issues can be discussed at this time such as missing quarterly project progress reports, payment/voucher /reimbursement, etc.

Post Monitoring Visit:

FWC personnel will review the on-site monitoring documents and backup documentation as a team and discuss the events of the on-site monitoring.

Within thirty (30) calendar days of the site visit, a post monitoring letter will be generated and sent to the Recipient explaining any issues and corrective actions required or recommendations. Should no issues or findings be identified, a post monitoring letter to that effect will be generated and sent to the Recipient. The Recipient will correct all deficiencies or submit a Corrective Action Plan within forty-five (45) calendar days of the monitoring letter date. Noncompliance on behalf of Recipients is resolved by FWC management under the terms of the Recipient Agreement.

The On-Site Monitoring report and all backup documentation will then be included in the Recipient's file.

**Instructions for Completing the Time and Effort Reporting (if applicable)**

- According to Federal cost principals employees/contract employees who are paid in full or partially from federal sources must document their time in the form of personnel activity reports (Time and Effort Reports).
  - All subrecipient Agreements that contain Administration cost are required to submit a Time and Attendance Report as part of their reimbursement packet. This includes when Administration/Contract Management are claimed as In-Kind Cost Share (Match).
  - The Time and Effort Report must account for all activity in which the employee/contract employee is being compensated and not merely the activity being requested for reimbursement to a specific Funding Agreement.
  - The report should reflect an after-the-fact distribution of time associated with each activity/project by the employee/contractor.
  - Subrecipients must use the attached Time and Effort Reporting to account for an employee/contractor actual time by activity/project and must account for 100% of the time the individual is being compensated from the grant.
- Charges for sick time, vacation, holiday and all costs associated with fringe benefits or employee related expenses shall be allocated at proper percentages. A Recipient/Subrecipient may not charge more hours to a Funding Agreement for such expenses than that Recipient/Subrecipient is charged for the employee/contract employee compensation. As an example, if a Time and Effort Report shows that he or she spent 8 hours of his or her time on boating access project activity, no more than the corresponding percentage (activity time divided by contracted hours) of his or her fringe benefit charges may be applied to that Funding Agreement. If that employee/contract employee is paid from multiple boating access projects, fringe benefit charges may only be applied to each individual project Funding Agreement at the percentage that the employee/contract employee's time is charged to each individual project Funding Agreement.
- Subrecipients are responsible for the proper allocation to Administration charges as they relate to personnel costs. Grant guidance should be used as a resource to determine the differences and allowability. Supervisors signing the Time and Effort Report are attesting that the report and distribution of time meets the requirements as stated in grant guidance, and your Funding Agreement.
