To: Levy County Board of County Commissioners

From: Curtis Stacy, Interim Town Manager, Bronson, FL

Date: May 20, 2025

Our warmest greetings:

The Bronson Town Council, on May 19, 2025, voted to request the Levy County Building Department to handle the issuance of all building permits for the Town, with the Town retaining all zoning and planning responsibilities.

We look forward to working with the County and to the public benefit anticipated.

It is acknowledged that the details may take some time to be worked out but will make every effort to expedite the process.

With all due appreciation,
Thank you for your time and consideration in this matter.
Curtis Stacy, Interim Town Manager
