Levy County is seeking a vendor to manage and improve their GIS data for NG9-1-1 readiness. They need assistance in correcting anomalies and provisioning data into the regional repository. The county also requires help in properly provisioning GIS data into critical systems like tactical mapping solutions. They want to establish automated workflows for continuous updates to tactical mapping applications in the PSAP, ensuring up-to-date GIS data for daily operations. The county aims to replicate the automated workflows used in FL Region 1.
