Ranking of Continuing Professional Services/Disciplines

1. Tocol Engineering
 - a. Civil Engineering
 - b. Site Planning and Design
 - c. Storm Water and Floodplain Management
 - d. Design of Parks and Recreation Facilities
 - e. Permitting (local, state, federal)
 - f. Project Planning and Management
 - g. Construction Engineering and Inspection (CEI)
 - h. Survey Services
 - i. Geological Surveying and Engineering
 - j. Roadway and Bridge Design
 - k. Environmental Engineering
 - l. Traffic Planning
 - m. Funding Assistance
 - n. Landscape Architecture
2. Locklear & Associates
 - a. Roadway and Bridge Design
 - b. Storm Water and Floodplain Management
 - c. Project Planning and Management
 - d. Construction Engineering and Inspection (CEI)
 - e. Civil Engineering
 - f. Site Planning and Design
 - g. Design of Parks and Recreation Facilities
 - h. Traffic Planning
 - i. Permitting (local, state, federal)
 - j. Funding Assistance
 - k. Solid Waste (not listed in RFQ, however we are an industry leader in solid waste consulting in Florida)
3. Michael G. Czerwinski PA Environmental Consultants
 - a. Environmental Engineering
 - b. Permitting (local, state, federal)
 - c. Geological Surveying and Engineering
4. Kisinger Campo & Associates, Corp.
 - a. Roadway and Bridge Design
 - b. Storm Water and Floodplain Management
 - c. Traffic Planning
 - d. Environmental Engineering
 - e. Permitting (local, state, federal)
 - f. Project Planning and Management

- g. Construction Engineering and Inspection (CEI)
 - h. Civil Engineering
 - i. Funding Assistance
 - j. Sustainability Services (Design/Engineering for “Green” and Sustainable Projects)
 - k. Survey Services
5. Menadier Engineering
 - a. Roadway and Bridge Design
 - b. Construction Engineering and Inspection (CEI)
 - c. Design of Parks and Recreational Facilities
 - d. Funding Assistance
 - e. Project Planning and Management
 - f. Civil Engineering
 - g. Site Planning and Design
 - h. Permitting (local, state, federal)
 - i. Storm Water and Floodplain Management
 - j. Environmental Engineering
 6. Johnson Mirmiran & Thompson
 - a. Roadway and Bridge Design
 - b. Storm Water and Floodplain Management
 - c. Project Planning and Management
 - d. Survey Services
 - e. Environmental Engineering
 - f. Traffic Planning
 - g. Permitting (local, state, federal)
 - h. Funding Assistance
 - i. Sustainability Services
 7. ECS Florida LLC
 - a. Environmental Engineering
 - b. Geological Surveying and Engineering
 8. Monarch Design Group
 - a. Architectural Design
 - b. Project Planning and Management
 - c. Interior Design
 - d. Site Planning and Design
 - e. Permitting (local, state, federal)
 - f. Design of Parks and Recreational Facilities
 - g. Sustainability Services
 9. Infrastructure Consulting & Engineering PLLC
 - a. Roadway and Bridge Design
 - b. Storm Water and Floodplain Management
 - c. Project Planning and Management
 - d. Survey Services
 - e. Construction Engineering and Inspection (CEI)
 - f. Environmental Engineering
 - g. Civil Engineering
 - h. Electrical Engineering (including energy management)
 - i. Geological Surveying and Engineering
 - j. Mechanical Engineering
 - k. Site Planning and Design

- l. Design of Parks and Recreational Facilities
 - m. Traffic Planning
 - n. Permitting (Local, State, and Federal)
 - o. Funding Assistance
 - p. Architectural Design
 - q. Interior Design
 - r. Landscape Architecture
 - s. Sustainability Services (Design/Engineering for “Green” and Sustainable Projects)
10. Balmoral Group
- a. Roadway and Bridge Design
 - b. Storm Water and Floodplain Management
 - c. Sustainability Services
 - d. Survey Services
 - e. Traffic Planning
 - f. Permitting (local, state, federal)
 - g. Funding Assistance
11. Campbell Spellicy Engineering
- a. Mechanical, Electrical, and Plumbing (MEP) Engineering
12. Walker Architects
- a. Architectural Design
 - b. Interior Design
 - c. Sustainability Services
13. K2M Design Inc.
- a. Architectural Design
 - b. Sustainability Services
 - c. Electrical Engineering
 - d. Mechanical Engineering
 - e. Interior Design
 - f. Permitting (local, state, federal)
