FDOT's Commitment to Safety

Target Zero is a statewide initiative to reduce the number of transportation-related serious injuries and deaths across Florida to ZERO.

Target Zero is a data-driven, multi-faceted behavior change initiative that helps implement educational campaigns for emphasis areas within the Florida Strategic Highway Safety Plan (SHSP), the state's strategy to eliminate serious injuries and fatalities across the transportation system.

Together, the SHSP partners created Target Zero to serve as Florida's overarching approach to all education and awareness efforts. Combining Florida's resources creates a force multiplier to achieve ZERO.
