Re: Town of Inglis CPTA Grant

Mayor White,

At the October 18, 2022, regular Board Meeting Jack Schofield and Dan Hilliard of the Withlacoochee Aquatic Restoration asked the Levy County Board of County Commissioners to accept and administer the Community Planning and Technical Assistance (CPTA) Grant that was awarded to the Town of Inglis.

The Levy County Board of County Commissioners would require written permission from the Town of Inglis to do so and the Department of Economic Opportunity (DEO) would also need that permission. If this is something, the Town of Inglis does not want to do, please let me know at your earliest convenience.

If you would like Levy County to accept and administer the CPTA Grant, please send a letter detailing so to the address below.

If you have additional questions or concerns regarding this matter, please let me know.

Respectfully,

Wilbur Dean,
County Coordinator
