

Levy County Board of County Commissioners Agenda Item Summary Form

1. **Name and Title:** Kari Bastow, Interim Director of Finance & Administration
2. **Department:** Finance & Administration
3. **Meeting Date:** Tuesday, August 4, 2026
4. **Requested Action:**

Approve and authorize the Chair to execute the Levy County Household Hazardous Waste Collection Center Grant Agreement No. HW709 in the amount of \$100,000 and any related documents; and authorize the County Manager or designee to administer the grant and execute any subsequent documents necessary to implement the project.
5. **Cost & Funding Source:**

The project is funded by the Florida Department of Environmental Protection through the Solid Waste Management Trust Fund in an amount not to exceed \$100,000. Funding will be provided on a cost-reimbursement basis. No local match is required.

6. Justification of Request:

Levy County has been awarded \$100,000 to purchase and install a new hazardous materials storage building at the Levy County Solid Waste Facility, located at 12051 NE 69th Lane in Williston. The existing building has significantly deteriorated due to prolonged exposure to hazardous materials and environmental conditions and is nearing the end of its ability to support safe and compliant operations.

The new 16-foot by 8-foot hazardous materials storage building will provide improved spill containment, fire suppression, ventilation, lighting, structural protection, and other safety features necessary for the proper storage of household hazardous waste. The project will help Levy County continue providing safe and compliant household hazardous waste collection services to its residents. A detailed scope of work is included in the attached Agreement.
