Dr. Simonne,

On behalf of the Levy County BOCC, I am writing to support the hiring of Micah Gallagher for the UF/IFAS Extension, Levy County Livestock/Pasture Management position (Position #00023913).

We understand that Ms. Gallagher will be starting as an Extension Agent I with an MS degree. Her starting salary will be \$62,000 per year, with a 60:40 split between the University of Florida and Levy County through the grant arrangement.

We also understand that Ms. Gallagher is currently employed by UF and, pending her resignation from her current position, her projected start date is mid-July.

The County looks forward to having Ms. Gallagher on our Extension team and greatly appreciates the support that you and UF have provided in placing this highly qualified individual.

Sincerely,
