If Consultant keeps and maintains public records upon completion of this Agreement, Consultant shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to County, upon request from County's custodian of public records, in a format that is compatible with the information technology systems of County.

3.2 Based upon the needs of County for any of the services described herein, and County's determination to acquire those services from Consultant, County will issue a Task Assignment to Consultant for the specific services needed. Issuance of a Task Assignment to Consultant for any needed services will be based on the County's sole judgement and discretion, in a non-competitive determination, taking into consideration the order of Consultant's abilities to provide the services as provided to County herein, Consultant's familiarity with the geographical area of a project, past performance, availability and ability of professional personnel for the services, ability to perform tasks in a timely manner, and the volume of work awarded to each consultant qualified to provide services pursuant to RFQ\_2020\_001 and resulting agreement with such consultant (including Consultant), with object of effecting an equitable distribution of Tasks Assignments among all consultants qualified to provide services pursuant to RFQ\_2020\_001 and resulting agreements with such consultants.

3.3 Each Task Assignment issued hereunder shall contain a description of the specific services required for that Task Assignment, and shall state the compensation to be paid to Consultant for such Task Assignment, and shall include a schedule for completing the services and providing any products pursuant to the Task Assignment. Each Task Assignment issued to Consultant by County shall become a part of this Agreement upon approval by both parties. Compensation for each Task Assignment will be based on time and materials using the hourly rates of Consultant, which are attached hereto as Exhibit "A" and by this reference

incorporated herein. Compensation may be expressed in a not to exceed amount or some other form of compensation as consented to by Consultant and County in the applicable Task Assignment; provided that such compensation does not exceed estimates of time and materials rates for the Task Assignment that are expressed by Consultant in Exhibit "A." Consultant may not amend the time and materials rates contained in Exhibit "A" throughout the term of this Agreement or any extensions thereof. County acknowledges that adjustments to the services, schedule and compensation for any Task Assignment may be necessary based on circumstances; and any such adjustments shall be consented to in writing both Consultant and County. Consultant shall be authorized to proceed with services pursuant to any Task Assignment upon receipt of the fully executed Task Assignment. Consultant agrees to perform the services in consideration of the compensation described in each Task Assignment and in accordance with the terms of this Agreement.

3.4 County Coordinator or his/her designee shall be authorized to execute any Task Assignment on behalf of County in the event the compensation for such Task Assignment does not exceed Nineteen Thousand Nine Hundred Ninety-Nine Dollars and Ninety-Nine Cents (\$19,999.99).

3.5 Task Assignments to be issued pursuant to this Agreement shall be limited to projects in which the estimated construction cost for each project does not exceed Four Million Dollars (\$4,000,000.00) and for a study activity if the fee for such study does not exceed Five Hundred Thousand Dollars (\$500,000.00). The not to exceed amounts for estimated construction costs for an individual project or study activity will be increased or decreased automatically throughout the term of this Agreement if such not to exceed amounts for continuing contracts are increased or decreased by section 287.055(2)(g), Fla. Stat., as the same may be amended. Any services County needs that exceed these monetary caps will be solicited through another selection process, as provided by applicable law.

3.6 County reserves the right to issue a separate solicitation for any services it may need, at its discretion, regardless of whether a Task Assignment could be awarded for such services pursuant hereto.

3.7 County provides no guarantee that Consultant will be issued any quantity or dollar amount of Task Assignments, or that Consultant will be issued any Task Assignment hereunder.

ARTICLE 4  
TERM/TERMINATION

4.1 The term of this Agreement shall begin on the date and year first above written and shall continue for a period of three (3) years. At the option of the parties, this Agreement may be extended for two (2) additional one (1) year terms or one (1) additional two (2) year term for a potential total term with extensions of five (5) years. The County Coordinator of County is authorized to extend this Agreement on behalf of the County for any of the extension terms.

All work associated with any Task Assignment must be completed within the initial term or any extension term of this Agreement, unless the applicable Task Assignment is unavoidably delayed. In the event of such unavoidable delay, the term or extended term of this Agreement shall be automatically continued for such Task Assignment until Consultant completes all services and provides all products required under such Task Assignment, and County accepts such services and products as satisfactory, unless otherwise terminated in accordance herewith.

4.2 This Agreement may be terminated by County, with or without cause, by written notice to Consultant of the intent to terminate. Such termination shall be effective thirty (30) days after receipt by Consultant of such written notice of intent to terminate. However, no termination for cause will be effective unless Consultant is first given ten (10) calendar days after receipt of notice of intent to terminate in which to cure the cause for termination.

4.3 In the event of termination, Consultant shall be entitled to compensation for services rendered and costs incurred for any Task Assignment through the effective date of termination. All finished or unfinished documents, data, studies, surveys, analyses, sketches, tracings, specifications, plans, designs, design calculations, details, computations, drawings, maps, models, photographs, reports, and other documents prepared by Consultant pursuant to a Task Assignment shall become the property of County and shall be delivered by Consultant to County immediately upon the effective date of termination.

## ARTICLE 5

### METHOD OF BILLING AND PAYMENT

5.1 County shall pay to Consultant the sums indicated for services as set forth in each Task Assignment.

5.2 Consultant shall submit all billings for payment of services rendered pursuant to a Task Assignment to the applicable County department requesting the services for processing. Billings shall be detailed as to nature of the services performed and shall refer to the particular line item(s) in the Task Assignment to which services apply. Billings shall include a summary of any amounts previously billed and any credits for amounts previously paid.

5.3 Consultant acknowledges that each billing must be reviewed and approved by the Director of the County department requesting the services pursuant to the applicable Task Assignment, or his/her designee. Should the Director of the County department requesting the services, or his/her designee, determine that the billing is not commensurate with the services performed, work accomplished or hours expended, Consultant shall adjust billing accordingly. However, Consultant shall be entitled to payment of any portion of a billing not in dispute.

5.4 County shall pay Consultant's billings under any Task Assignment in accordance with Sections 218.70 through 218.80, Florida Statutes, the Florida Local Government Prompt Payment Act.

5.5 In the event budgeted funds which are sufficient for the County to pay the amounts provided for under this Agreement are not available for any upcoming fiscal period, the County shall notify Consultant of such occurrence and this Agreement shall terminate on the last day of the then current fiscal period without penalty or expense to the County.

ARTICLE 6  
COUNTY'S RESPONSIBILITIES

6.1 County shall perform the responsibilities contained in this Article 6 in a timely manner so as not to delay the services of Consultant.

6.2 County shall furnish to Consultant, upon request of Consultant and at County expense, all existing studies, reports and other available data pertinent to the services to be performed under this Agreement which are within the County's possession. However, Consultant shall be required to evaluate all materials furnished hereunder using reasonable professional judgment before relying on such materials.

6.3 County shall provide reasonable access and entry to all public property required by Consultant to perform the services described in this Agreement. All such access and entry shall be provided at County expense. County shall also use reasonable efforts to obtain permission for reasonable access and entry to any private property required by Consultant to perform the services described in this Agreement.

ARTICLE 7  
STANDARDS AND CORRECTIONS

7.1 Consultant shall perform or furnish to County all professional and related services to a level of technical skill, ability, and diligence as is required of a professional in the related discipline having the level of skill, expertise and specialized knowledge, as represented to the County, both orally and in writing, to be possessed by Consultant, in accordance with the standards contained elsewhere in this Agreement and in accordance with generally accepted professional standards, and with the laws, statutes, ordinances, codes, rules and regulations governing Consultant's profession. The same standards of care shall be required of any subconsultant or subcontractor engaged by Consultant, as applicable to that subconsultant's or subcontractor's profession.

7.2 Consultant shall, without additional compensation, correct and revise any errors, omissions, or other deficiencies in its work product, services, or materials arising from the negligent act, error or omission of Consultant or any subconsultant or subcontractor engaged by Consultant under this Agreement. The foregoing shall be construed as an independent duty to correct rather than a waiver of County's rights under any applicable statute of limitations. County review of, approval of, acceptance of, or payment for any of Consultant's work product, services, or materials shall not be construed to operate as a waiver of any County's rights under

this Agreement, or cause of action County may have arising out of the performance of this Agreement.

ARTICLE 8  
COUNTY PROPERTY

8.1 All documents, data, studies, surveys, analyses, sketches, tracings, specifications, plans, designs, design calculations, details, computations, drawings, maps, models, photographs, reports, and other documents and plans resulting from Consultant's services under this Agreement shall become property of and shall be delivered to County without restriction or limitation as to use. However, any use subsequent to or other than for the specific project for which such items were created, shall be at sole risk of County.

ARTICLE 9  
NOTICES

9.1 Any notice required or permitted to be sent hereunder shall be sent by United States first class mail, postage prepaid, or hand-delivered to the parties at the addresses listed below:

If to County:

County Coordinator

Bronson, FL 32621

If to Consultant:

Dewberry Engineers, Inc.  
654 S.E. Baya Drive  
Lake City, FL 32025

ARTICLE 10  
NO CONTINGENT FEES

10.1 Consultant certifies that it has not employed or retained any company or person, other than a bona fide employee working solely for Consultant to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Consultant any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, County shall have the right to terminate the Agreement without liability at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

ARTICLE 11  
NO ASSIGNMENT

11.1 This Agreement, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by Consultant without the prior written consent of County. Further, no portion of this Agreement may be performed by subcontractors or subconsultants not listed in Consultant's Proposal without written notice to and approval of such action by County.

ARTICLE 12  
INDEMNIFICATION

12.1 Consultant shall defend, indemnify and hold harmless County and all of County's officers, agents, employees, and volunteers from and against all claims, liability, loss and expense, including reasonable costs, collection expenses, attorneys' fees, and court costs which may arise because of the negligence (whether active or passive), misconduct, or other fault, in whole or in part (whether joint, concurrent, or contributing), of Consultant, its officers, agents, employees, subcontractors, or volunteers in performance or non-performance of its obligations under this Agreement. Consultant recognizes the broad nature of this indemnification and hold harmless clause, as well as the provision of a legal defense to County when necessary, and voluntarily makes this covenant and expressly acknowledges the receipt of such good and valuable consideration provided by County in support of these indemnification, legal defense and hold harmless contractual obligations in accordance with the laws of the State of Florida. This clause shall survive the termination of this Agreement. Compliance with any insurance requirements required elsewhere within this Agreement shall not relieve Consultant of its liability and obligation to defend, hold harmless and indemnify County as set forth in this section. This indemnification shall be subject to any limitations provided by general law regarding the extent of indemnification for the specific discipline of professional services that may be provided by Consultant; this limitation shall apply only when Consultant is actually providing services in the specific discipline for which there is a limitation regarding indemnification in general law.

12.2 Notwithstanding the indemnification provisions contained in Section 12.1, in the event that Contractor qualifies as a "design professional" (as that term is defined in section 725.08, Fla. Stat., as amended) in the performance of services for any particular Task Assignment, and the services required by the Task Assignment constitute services provided under a "professional services contract" (as that term is defined in section 725.08, Fla. Stat., as amended) (herein "qualified services"), the following indemnification provisions will replace the foregoing indemnification provisions and will apply to such Task Assignment, only to the extent that the services provided by Contractor are qualified services: Contractor shall indemnify and hold harmless County, and its officers and employees, from liabilities, damages, losses, and costs,

including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of Contractor and other persons employed or utilized by Contractor in the performance of Contractor's services under this Task Assignment.

12.3 Nothing herein shall be construed to extend County's liability beyond that provided in section 768.28, Florida Statutes.

12.4 The provisions of this Article shall survive termination of this Agreement.

### ARTICLE 13 INSURANCE

13.1 Before performing any work and before being issued any Task Assignment, Consultant shall, at its sole cost and expense, procure and maintain, throughout the term of this Agreement, insurance policies meeting the requirements, and in the coverages and amounts all as contained in RFQ\_2020\_001 and this section. Simultaneous with entering into this Agreement, Consultant shall provide Certificates of Insurance generated and executed by a licensed insurance broker, brokerage or similar licensed insurance professional evidencing such coverage, from companies authorized to do business in the State of Florida, and signed by a person authorized by the insurer to bind coverage on its behalf. Consultant shall provide County with a certified copy, or copies, of said insurance policies, with all endorsements, upon request. Each Certificate of Insurance which is allowed by law to carry an additional named insured shall show Levy County, a political subdivision of the State of Florida, its elected officials, officers, agents, employees, and volunteers, as additional named insured. Each policy required below shall require that thirty (30) days prior to expiration, cancellation, non-renewal or any material change in coverages or limits, written notice thereof shall be given to County. Consultant shall also notify County, in writing, within twenty-four (24) hours after Consultant's receipt of any notices of expiration, cancellation, non-renewal, or material changes in coverage; and nothing contained herein shall absolve Consultant of this requirement to provide notice. Each Certificate of Insurance shall be on a standard ACORD form, listing coverages and limits, expiration dates, terms of policies and all endorsements, and shall include the project name on the Certificate. Any and all deductibles to any insurance policy shall be the responsibility of Consultant. Said insurance coverages procured by Consultant as required herein shall be considered, and Consultant agrees that said insurance coverages it procures as required herein shall be considered, as primary insurance over and above any other insurance, or self-insurance, available to County, and that any other insurance, or self-insurance available to County shall be considered secondary to, or in excess of, the insurance coverage(s) procured by Consultant as required herein.

Nothing herein shall be construed to extend County's liability beyond that provided in section 768.28, Florida Statutes.

Coverages and limits for the insurance required herein shall be set forth in RFQ\_2020\_001.

ARTICLE 14  
CONTACT PERSONS

14.1 Upon written request of Consultant, the County Coordinator shall designate one or more County employees to whom all communications pertaining to the day-to-day conduct of the performance of this Agreement shall be addressed.

ARTICLE 15  
SEVERABILITY

15.1 In the event any provision of this Agreement shall be held invalid and unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any breach of any provision, term, condition or covenant shall not be construed by the other party as a waiver of any subsequent breach.

ARTICLE 16  
TRUTH-IN-NEGOTIATION CERTIFICATE

16.1 In accordance with Section 287.055, Florida Statutes, signature of this Agreement by Consultant shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting. The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which County determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of this Agreement.

ARTICLE 17  
GOVERNING LAW/VENUE

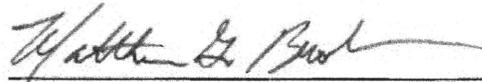

17.1 This Agreement shall be governed and construed in accordance with Florida law. In the event litigation arises involving parties in connection with this Agreement, venue for such litigation shall be in Levy County, Florida.
