Rick and Alesha,

TNT Rescue Systems is the ONLY Manufacturer of TNT Rescue tools and products. TNT is located in Hartland, WI and they build all the tools there. There is not another company that manufactures TNT Rescue Tools in the USA or International.

Let me know if you have any questions or need any additional information.

Thank you,

Tonya,

Is there a letter or something you can provide that indicates that your company is the sole distributor in Florida? And that all components are TNT specific?

Thanks,

Rick Bloom

To Whom It May Concern:

Thank you for your interest in TNT Rescue Systems, Inc. TNT sells its products through a dealer network, where each representative is contracted for a specific sales region.

In the state of Florida, Southern Rescue Tools is the authorized sales and service representative, thereby making Southern Rescue your sole source for TNT product sales, service, and warranty repairs.

Again, thank you for your interest in our products. We look forward to building a mutually beneficial relationship.
