The Board shall determine the form of the Obligations, the manner of executing such Obligations, and shall fix the denomination of such Obligations and the place of payment of the principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any Obligations shall cease to be such officer before the delivery of such Obligations, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until delivery. The issuance of Obligations shall not directly or indirectly or contingently obligate the Cooperative or any of the Cooperative Members to levy or to pledge any form of ad valorem taxation whatsoever therefor. No holder of any such Obligations shall ever have the right to compel any exercise of the ad valorem taxing power on the part of any

of the Cooperative Members to pay any such Obligations or the interest thereon or the right to enforce payment of such Obligations, or the interest thereon, against any property of the Cooperative or any of the Cooperative Members, nor shall such Obligations constitute a charge, lien or encumbrance, legal or equitable, upon any property of the Cooperative or any of the Cooperative Members, except the Pledged Funds in accordance with the terms of the Financing Documents.

G. All Pledged Funds shall be deemed to be trust funds, to be held and applied solely as provided in the Financing Documents. Such Pledged Funds may be invested by the Cooperative in such manner as provided in the Financing Documents.

H. Any holder of Obligations, except to the extent the rights herein given may be restricted by the Financing Documents, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under the Financing Documents, and may enforce and compel the performance of all agreements or covenants required by this Interlocal Agreement, or by such Financing Documents, to be performed by the Cooperative or by any officer thereof.

I. The Obligations may be validated, at the sole discretion of the Board, pursuant to Chapter 75, Florida Statutes. Obligations may be issued pursuant to and secured by a resolution of the Board.

K. All Obligations issued hereunder shall not be invalid for any irregularity or

defect in the proceedings for the issuance and sale thereof and shall be incontestable in the hands of bona fide purchasers for value. No proceedings in respect to the issuance of such Obligations shall be necessary except such as are required by this Interlocal Agreement, the Financing Documents and general law.
