RE: Amvets Auxiliary #422, Fanning Springs, FL Presentation of Check for Public Safety First Responders

The request was made to appear before the Levy County Board of County Commissioners on Tuesday, May 21, 2024 at 9:00 a.m. or as soon thereof can be scheduled.

Amvets Auxiliary #422 held a fund raiser in September, 2023 for the First Responders and are making a presentation of \$300.00 to the Levy County Board of County Commissioners, Public Safety Department for use of the first responders within the county.

Also, at this time we are extending an invitation to all first responders in Public Safety, local fire department and local law enforcement officers to attend a steak dinner which will be held at the Amvets Post #422, Suwannee River on US 19/98 on September 11, 2024. A notice will be mailed closer to the time of event with a sign up sheet and further information as to the time of the dinner.

Our first responders are important to Amvets Auxiliary #422 and we are happy to recognize them.

Sincerely,

Susan Haines
3rd Vice President
Community Service
