Addendum 3

There should be no price proposal information in written proposal. It does not ask for price based proposal. If the vendor gets selected to move to the presentation stage then there is a price percentage or number in number 7 for fee and GC costs. This will be evaluated in scoring matrix. No pricing is submitted in proposal. This will be provided in presentation section. If the open gov requires an upload then upload one digital version. The other copies are delivered to Levy County.
