Part 200. Consistent with 2 C.F.R. § 200.318(k), the Division will not substitute its judgment for that of the Recipient. While the Recipient does not need the approval of the Division in order to execute a subcontract, this review may allow the Division to identify deficiencies in the terms and conditions of the subcontract as well as deficiencies in the procurement process that led to the subcontract. The Division's review and comments shall not constitute an approval of the subcontract. Regardless of the Division's review, the Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Recipient as quickly as possible within the seven (7) business day window outlined above. (20) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA. ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE RECIPIENT TO THE STATE OF FLORIDA.

(a) If the Recipient has a pre-existing patent or copyright, the Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless this Agreement provides otherwise.

(b) If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Recipient to the State of Florida.

(c) Within thirty (30) days of execution of this Agreement, the Recipient shall disclose all intellectual properties relating to the performance of this Agreement that he or she knows or should know could give rise to a patent or copyright. The Recipient shall retain all rights and entitlements to any pre-

existing intellectual property that is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (b), have the right to all patents and copyrights that accrue during performance of this Agreement.

(d) If the Recipient qualifies as a state university under Florida law, then, pursuant to Section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Recipient shall become the sole property of the Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Recipient, under this Agreement, for Florida government purposes.

(21) LEGAL AUTHORIZATION.

(a) The Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Recipient also certifies that the undersigned person has the authority to legally execute and bind Recipient to the terms of this Agreement

(22) STATEMENT AND ASSURANCES

(a) The Recipient shall comply with any Statement of Assurances incorporated as Attachment E.

(23) RECORDS

(a) As a condition of receiving state financial assistance, and as required by Sections 20.055(6)(c) and 215.97(5)(b), Florida Statutes, the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Recipient's personnel for the purpose of interview and discussion related to such documents. For the purposes of this section, the term "Recipient" includes employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement.

(b) The Recipient shall maintain all records related to this Agreement for the period of time specified in the appropriate retention schedule published by the Florida Department of State. Information regarding retention schedules can be obtained at: <http://dos.myflorida.com/library-archives/records-management/general-records-schedules/>.

(c) Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic

requirements: (1) all meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Recipient based upon the funds provided under this Agreement, the meetings of the Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

(d) Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

(e) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the (Attachment A 2) – Proposed Budget Detail Worksheet and Scope of Work (Attachment A) - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-4156, Records@em.myflorida.com, or 2555 Shumard Oak Boulevard, Tallahassee, FL 32399.

(24) TERMS AND CONDITION

(a) This Agreement contains all the terms and conditions agreed upon by the parties.

(25) EXECUTION

(a) This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(26) MODIFICATION

(a) Either Party may request modification of the provisions of this agreement. Modifications of provisions of this Agreement are valid only when reduced to writing and duly signed by the Parties.

(27) CONSTRUCTION and RENOVATION

Construction and renovation projects for a local government's principal Emergency Operations Center (EOC), are allowable under the EMPA Program. The Division must provide written approval prior to the use of any EMPA Program funds for construction or renovation. Requests for EMPA Program funds for construction of an EOC must be accompanied by a justification to their EMPA Grant Manager for review and processing. The above examples are not intended to exclude other construction projects as potentially allowable costs. For example, construction of a facility for the storage of critical emergency supplies, as a Point of Distribution (POD) for emergency distribution, and/or to serve as a staging area for deployment of emergency response resources is potentially an allowable expense. Other construction or renovation projects, such as a secondary or local EOC, will be considered on a case-by-case basis, with advance written approval.

(28) REAL PROPERTY

Section 287.05805, Florida Statutes, Contract requirement for use of state funds to purchase or improve real property—Each state agency shall include in its standard contract document a requirement that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

(29) CONTRACTING WITH SMALL AND MINORITY BUSINESSES

(a) If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. § 200.321 and Section 288.703, Florida Statutes, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

- i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (i). through v. of this subparagraph.

(b) The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

(c) The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

(d) The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

The 2024 EMPA Funding Guidance allowable costs are divided into the following categories: **Planning, Organization, Equipment, Training, Exercise, and Management and Administration.**

A. PLANNING

Planning spans all five National Preparedness Goal (the Goal) mission areas and provides a baseline for determining potential threats and hazards, required capabilities, required resources, and establishes a framework for roles and responsibilities. Planning provides a methodical way to engage the whole community in the development of a strategic, operational, and/or community-based approach to preparedness.

Plans should have prior review and approval from the respective DEM state program. Funds may not be reimbursed for any plans that are not approved.

EMPA Program funds may be used to develop or enhance emergency management planning activities. Some examples include, but not limited to:

- Emergency Operation Plans/ Local Comprehensive Emergency Management Planning
- Communications Plans

 - Consultant Services require a pre-approved Contract or purchase order by the Division. Copies of additional quotes should also be supplied when requesting pre-approval. These requests should be sent to the grant manager for the Division for review.

Funding for Critical Emergency Supplies

Critical emergency supplies—such as shelf stable products, water, and basic medical supplies—are an allowable expense under EMPA. DHS/FEMA must approve a state’s five-year viable inventory management plan prior to allocating grant funds for stockpiling purposes. The five-year plan should include a distribution strategy and related sustainment costs if the grant expenditure is over \$100,000.

Operational Costs Supporting Documentation

- For salaries, provide copies of payroll expenditure reports

If the Recipient seeks reimbursement for the purchase of an item that is not EMPG-coded on the FEMA AEL, then the Recipient must receive permission from the Division prior to purchasing the item. If the Recipient purchases such an item without receiving permission from the Division beforehand, then the Division will not provide any reimbursement for that purchase.

Allowable equipment includes equipment from the following AEL categories:

- Personal Protective Equipment (PPE) (Category 1)
- Information Technology (Category 4)
- Cybersecurity Enhancement Equipment (Category 5)

If Recipients have questions concerning the eligibility of equipment, they shall contact their Grant Manager for clarification.

Recipients should analyze the cost benefits of purchasing versus leasing equipment, especially high-cost items and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment, please reference 2 C.F.R. Part 200, including 2 C.F.R. §§ 200.310, 200.313, and 200.316.

Equipment Acquisition Costs Supporting Documentation

- Provide copies of invoices, or receipts, proof of payment, i.e., credit card statements, bank statements or front and back of canceled checks).
- Provide the Authorized Equipment List (AEL) # for each equipment purchase.

D. TRAINING

EMPA Training funds may be used for a range of emergency management-related training activities to enhance the capabilities of state and local emergency management personnel through the establishment, support, conduct, and attendance of training. Training should foster the development of a community-oriented approach to emergency management that emphasizes engagement at the community level, strengthens best practices, and provides a path toward building sustainable resilience.

The Recipient can successfully complete an authorized course either by attending or by conducting that course.

- In order to receive payment for successfully attending a training course, the Recipient must provide a certificate of completion; all receipts that document the costs incurred by the Recipient in order to attend the course.
- In order to receive payment for successfully conducting a course, the Recipient must provide the course sign-in sheet. with all receipts that document the costs incurred by the Recipient in order to conduct the course.
- In order to receive payment for successfully conducting a workshop, the recipient must provide workshop sign-in sheets, materials used for workshop, and all receipts that document the costs incurred by the Recipient in order to conduct the workshop.

For training, the number of participants must be a minimum of fifteen (15) in order to justify the cost of holding a course. For questions regarding adequate number of participants, please contact the Division State Training Officer for course specific guidance. Unless the recipient receives advance approval from the State Training Officer for the number of participants, then the Division must reduce the amount authorized for reimbursement on a pro-rata basis for any training with less than fifteen (15) participants.

Allowable training-related costs include the following:

Develop, Deliver, and Evaluate Training. This includes costs related to administering the training: planning, scheduling, facilities, materials and supplies, reproduction of materials, and equipment. Training should provide the opportunity to demonstrate and validate skills learned, as well as to identify any gaps in these skills. Any training or training gaps, including those for children and individuals with disabilities or access and functional needs, should be identified in the Integrated Preparedness Program (IPP) and addressed in the training cycle. States are encouraged to use existing training rather than developing new courses. When developing new courses states are encouraged to apply the Analyze, Design, Develop, Implement and Evaluate (ADDIE) model for instruction design.

- **Overtime and Backfill.** The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of attendance at FEMA and/or approved training courses and programs are allowable. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the state or unit(s) of local government and has the approval of the state or FEMA, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- **Travel.** Travel costs (e.g., airfare, mileage, per diem, and hotel) are allowable as expenses by employees who are on travel status for official business related to approved training.
- **Hiring of Full or Part-Time Staff or Contractors/Consultants.** Full or part-time staff or contractors/consultants may be hired to support direct training-related activities. Payment of salaries and fringe benefits must be in accordance with the policies of the state or unit(s) of local government and have the approval of the state or FEMA, whichever is applicable.
- **Certification/Recertification of Instructors.** Costs associated with the certification and re-certification of instructors are allowed. States are encouraged to follow the FEMA Instructor Quality Assurance Program to ensure a minimum level of competency and corresponding levels of evaluation of student learning. This is particularly important for those courses which involve training of trainers.

Conferences

The Division recognizes the important role that conferences can play in the professional development of emergency managers.

Rule 69I-42.002(3), Florida Administrative Code, defines the term conference as:

The coming together of persons with a common interest or interests for the purpose of deliberation, interchange of views, or for the removal of differences or disputes and for discussion of their common problems and interests. The term also includes similar meetings such as seminars and workshops which are large formal group meetings that are programmed and supervised to accomplish intensive research, study, discussion, and work in some specific field or on a governmental problem or problems. A conference does not mean the coming together of agency or interagency personnel.

For travel to a conference or convention to qualify for reimbursement, the cost must be reasonable and attendance at the conference must be necessary for the successful completion of a task required by this Agreement.

Provided the cost qualifies as reasonable and necessary for the successful completion of a task required by this Agreement, travel to a conference that complies with the requirements of Rule 69I-42.004, Florida Administrative Code, satisfies the minimum level of service for conference travel under this Agreement.

In pertinent part, Rule 69I-42.004(1), Florida Administrative Code, states "No public funds shall be expended for attendance at conferences or conventions unless:

- The main purpose of the conference or convention is in connection with the official business of the state and directly related to the performance of the statutory duties and responsibilities of the agency participating;
- The activity provides a direct educational or other benefit supporting the work and public purpose of the person attending;
- The duties and responsibilities of the traveler attending such meetings are compatible with the objectives of the conference or convention; and
- The request for payment of travel expenses is otherwise in compliance with these rules.

Provided the cost qualifies as reasonable and necessary for the successful completion of a task required by this Agreement, and provided any related travel complies with the requirements of Rule 69I-42.004, Florida Administrative Code, conferences may qualify for reimbursement under this Agreement:

Requests for reimbursement for payment of the registration fee or for a conference or convention must include:

- A statement explaining how the expense directly relates to the Recipient's successful performance of a task outlined in this Agreement;
- A copy of those pages of the agenda that itemizes the registration fee;
- A copy of local travel policy; and,
- A copy of the travel voucher or a statement that no travel costs were incurred, if applicable.

When a meal is included in a registration fee, the meal allowance must be deducted from the reimbursement claim, even if the traveler decides for personal reasons not to eat the meal. See section 112.061(6)(c), Florida Statutes ("No one, whether traveling out of or in state, shall be reimbursed for any meal or lodging included in a convention or conference registration fee paid by the state"). A continental breakfast is considered a meal and must be deducted if included in a registration fee for a convention or conference. However, in the case where a meal is provided by a hotel or airline, the traveler shall be allowed to claim the meal allowance provided by law.

Class A, Class B, and Class C Travel:

- Class A travel is continuous travel of 24 hours or more away from official headquarters. The travel day for Class A is based on a calendar day (midnight to midnight).
- Class B travel is continuous travel of less than 24 hours which involves overnight absence away from official headquarters. The travel day for Class B travel begins at the same time as the travel period.
- Class C travel is short or day trips in which the traveler is not away from his/her official headquarters overnight. Class C allowances are currently not authorized for reimbursement.

Meal Allowance and Per Diem:
Section 112.061(6)(b), Florida Statutes, establishes the meal allowance for each meal during a travel period as follows:
\$6 for breakfast (when travel begins before 6 a.m. and extends beyond 8 a.m.);
\$11 for lunch (when travel begins before 12 noon and extends beyond 2 p.m.);
\$19 for dinner (When travel begins before 6 p.m. and extends beyond 8 p.m. or when travel occurs during nighttime hours due to special assignment.).
Section 112.061(a), Florida Statutes, establishes the per diem amounts.
All travelers are allowed: The authorized per diem for each day of travel; or, If actual expenses exceed the allowable per diem, the amount allowed for meals as provided in s. 112.061(6) (b), F.S., plus actual expenses for lodging at a single occupancy rate.

Per diem shall be calculated using four six-hour periods (quarters) beginning at midnight for Class A or when travel begins for Class B travel. Travelers may only switch from actual to per diem while on Class A travel on a midnight to midnight basis. A traveler on Class A or B travel who elects to be reimbursed on a per diem basis is allowed \$20.00 for each quarter from the time of departure until the time of return.

Reimbursement for Meal Allowances That Exceed the State Rates

The Division shall not reimburse for any meal allowance that exceeds \$6 for breakfast, \$11 for lunch, or \$19 for dinner unless:

- For counties – the requirements of section 112.061(14), Florida Statutes, are satisfied;
- The costs do not exceed charges normally allowed by the Recipient in its regular operations as the result of the Recipient’s written travel policy (in other words, the reimbursement rates apply uniformly to all travel by the Recipient); and,
- The costs do not exceed the reimbursement rates established by the United States General Services Administration (“GSA”) for that locale (see <https://www.gsa.gov/portal/content/104877>).

Hotel Accommodations

- A traveler may not claim per diem or lodging reimbursement for overnight travel within fifty (50) miles (one-way) of his or her headquarters or residence unless the circumstances necessitating the overnight stay are fully explained by the traveler and approved by the Division.
 - Absent prior approval from the Division, the cost of any hotel accommodation shall not exceed \$175 per night.

Training Costs Supporting Documentation

- Copies of contracts or agreements with consultants or sub-contractors providing services;
- Copies of invoices, receipts and cancelled checks, credit card statements and bank statements for proof of payment;
- Copies of the agenda, certificates and/or sign in sheets (if using prepopulated sign in sheets they must be certified by the Emergency Management Director or Lead Instructor verifying attendance).

For travel and conferences related to EMPA activities:

- Copies of all receipts must be submitted (i.e., airfare, proof of mileage, toll receipts, hotel receipts, car rental receipts, etc.) Receipts must be itemized and match the dates of travel/conference;
- Copies of Conferences must be providing an agenda. Proof of payment is also required for all travel and conferences. If the Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes (\$6 for breakfast, \$11 for lunch, and \$19 for dinner), then the Recipient must provide documentation that: The costs are reasonable and do not exceed charges normally allowed by the Recipient in its regular operations as a result of the Recipient’s written travel policy; and participation of the individual in the travel is necessary to the Federal award.

E. EXERCISES

Exercises conducted with grant funds should test and evaluate performance towards meeting capability targets established in a jurisdiction’s Integrated Preparedness Program (IPP) for the core capabilities needed to address its greatest risks.

Allowable Exercise-Related Costs

- **Design, Develop, Conduct and Evaluate an Exercise.** This includes costs related to planning, meeting space and other meeting costs, facilitation costs, materials and supplies, travel, and documentation. Recipients are encouraged to use free public

space/locations/facilities, whenever available, prior to the rental of space/locations/facilities. Exercises shall provide the opportunity to demonstrate and validate skills learned, as well as to identify any gaps in these skills. Gaps identified during an exercise including those for children and individuals with disabilities or access and functional needs, shall be identified in the AAR/IP and addressed in the exercise cycle.

- **Hiring of Contractors or Consultants.** Contractors or Consultants may be hired to support direct exercise activities. Payment of salaries and fringe benefits must be in accordance with the policies of the state or unit(s) of local government and have the approval of the state. The services of contractors/consultants may also be procured to support the design, development, conduct and evaluation of exercises.
- **Overtime and Backfill.** The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of time spent on the design, development and conduct of exercises are allowable expenses. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the local government. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
Travel. Travel costs (e.g., airfare, mileage, per diem, hotel) are allowable as expenses by employees who are on travel status for official business related to the planning and conduct of the exercise activities.
- **Supplies.** Supplies are items that are expended or consumed during the course of the planning and conduct of the exercise activities (e.g., gloves, non-sterile masks, fuel, and disposable protective equipment).
- **Other Items.** These costs are limited to items consumed in direct support of exercise activities such as the rental of space/locations for planning and conducting an exercise, rental of equipment, and the procurement of other essential nondurable goods. Recipients are encouraged to use free public space/locations, whenever available, prior to the rental of space/locations. Costs associated with inclusive practices and the provision of reasonable accommodations and modifications that facilitate full access for children and adults with disabilities are allowable.

When conducting an exercise that shall include meals for the attendees, the recipient shall submit a request for approval to the Division no later than twenty-five (25) days prior to the event to allow for both the Division and the Department of Financial Services to review. The request for meals must be submitted on letterhead and must include the date of exercise, agenda, number of attendees, and costs of meals.

Unauthorized Exercise-Related Costs

- Reimbursement for the maintenance and/or wear and tear costs of general use vehicles (e.g., construction vehicles) and emergency response apparatus (e.g., fire trucks, ambulances). The only vehicle costs that are reimbursable are fuel/gasoline or mileage;
- Equipment that is purchased for permanent installation and/or use, beyond the scope of exercise conduct (e.g., electronic messaging signs);
- Durable and non-durable goods purchased for installation and/or use beyond the scope of exercise conduct.

If the recipient seeks reimbursement for exercise activities, then the following shall be submitted:

- Documentation clearly indicating the purpose/objectives of the exercise (e.g. Situation Manual, Exercise Plan);
- After-action report with Improvement Plan (AAR/IP), Sign-In sheets, Agenda;
- Receipts and proof of payment (e.g. canceled check, electronic funds transfer confirmation, credit card statement, bank statement) for supplies expenditures (e.g. copying paper, gloves, tap, etc.);

- Invoices and proof of payment for Travel costs (e.g., internal travel voucher, airfare, mileage, per diem, hotel) related to exercise activities;
- Proof of purchase methodology, if applicable (e.g. quotes, sole source, state contract, competitive bid results).

No later than 90 days after completion of an exercise, the recipient must upload to the DEMES an After Action Report (AAR) that includes the following:

**An Improvement Plan; and,
A roster of participants.**

F. MANAGEMENT AND ADMINISTRATIVE (M&A)

M&A activities are those defined as directly relating to the management and administration of EMPA Program funds, such as financial management and monitoring. It should be noted that salaries of state and local emergency managers are not typically categorized as M&A, unless the state or local EMA chooses to assign personnel to specific M&A activities.

Management and Administrative Costs Supporting Documentation

- Copies of certified timesheets with employee and supervisor signature documenting hours worked or Division Form 6 - Time and Effort and proof employee was paid (paystubs, earning statements, and payroll expenditure reports);
- Costs for M&A activities are allowed up to 5% of the total award amount.

Supplanting Prohibited

Section 252.372, Florida Statutes, states that the monies from the EMPA Trust Fund “may not be used to supplant existing funding.” Additionally, Rule 27P-19.003(3), Florida Administrative Code, states: “Funds received from the [EMPA] Trust Fund may not be used to supplant existing funding, nor shall funds from one program under the Trust Fund be used to match funds received from another program under the Trust Fund.”

II. OTHER CRITICAL INFORMATION

A. RULE 27P-19, FLORIDA ADMINISTRATIVE CODE

Rule 27P-19.010(11), Florida Administrative Code, states: “Allowable costs shall be determined in accordance with applicable Federal Office of Management and Budget Circulars...” Therefore, unless a specific exception applies, 2 CFR Part 200 Subpart A (Definitions) and Subpart E (Cost Principles) shall apply to this Agreement.

Expenses

To qualify for reimbursement under the terms of this Agreement, an expense incurred by the Recipient must be reasonable and necessary for the successful completion of a task required by this Agreement. If an expense fails to qualify as either reasonable or necessary to successfully complete a task, then the Division shall not provide any reimbursement for that expense.

NOTE: This Scope of Work recognizes that each Recipient:

- Might be at a different level of preparedness than another Recipient
- Operates within a unique geography
- Faces unique threats and hazards
- Serves a unique population

Therefore, what might qualify as reasonable and necessary for one Recipient to successfully complete a task under this Agreement might not qualify as reasonable and necessary for another Recipient to successfully complete a task. Conversely, what might not qualify for one may qualify for another.

To avoid a “one size fits all” approach, this Agreement provides some level of flexibility. If a unique cost (e.g. equipment not listed on the EMPG AEL) qualifies as reasonable and necessary for the successful completion of a task under this Agreement, and if the Recipient receives permission from the Division prior to incurring that unique cost, then the Division shall reimburse the Recipient for that cost.

Performance

To qualify for reimbursement under the terms of this Agreement, the Recipient’s performance must satisfy the minimum level of service required for the successful completion of a task required by this Agreement. If the performance fails to satisfy the minimum level of service, then the Division shall not provide any reimbursement for that performance.

B. INDIRECT COSTS

Indirect cost is allowable under this program as described in 2 C.F.R. Part 200, including 2 C.F.R. § 200.414. Recipients with a negotiated cost rate agreement that desire to charge indirect costs to an award must provide a copy of their negotiated indirect cost rate agreement at the time of application. Recipients that are not required by 2 C.F.R. Part 200 to have a negotiated indirect cost rate agreement but are required by 2 C.F.R. Part 200 to develop an indirect cost rate proposal must provide a copy of their proposal at time of application. Post-award requests to charge indirect cost will be considered on case-by-case basis and based upon the submission of an agreement or proposal.

C. PROCUREMENT

All Procurement transactions will be conducted in a manner providing full and open competition and shall comply with the standards articulated in:

- 2 C.F.R. Part 200;
- Chapter 287, Florida Statutes; and,
- Any local procurement policy.

Per 2 CFR 200.318 through 200.326, Recipients are required to adhere to certain procurement standards for entering contracts for personnel or services. This includes full and open competition, methods of procurement to follow, federal or passthrough entity review, and including federal provisions into contracts.

D. FINANCIAL CONSEQUENCES:

If a recipient fails to comply with the terms and conditions of the State award, the Division may terminate the award in whole or part. If the noncompliance can be corrected, the Division may first attempt to direct the recipient to correct the noncompliance. This may take the form of a Compliance Notification. If the noncompliance cannot be correct or the recipient is nonresponsive, one or more of the following steps may be taken:

- (1) Temporarily withhold payments pending correction of the deficiency by the recipient.
- (2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- (3) Wholly or partly suspend or terminate the award.
- (4) Take other remedies that may be legally available.
