

Welcome!

Thank you for joining us! We're here to discuss the housing and economic priorities of Levy County. Share your stories, perspectives, and ideas with us so that we can work together to achieve a shared vision for the future and expand housing and economic opportunities for everyone.

Comprehensive Plan 2050 Update Community Survey

Your input will directly inform policies on land use, springs protection, housing, transportation, economic development, and quality of life.

Survey ends January 31, 2026

Discussion Questions

Form a small group at your table and discuss these questions together! Choose one person to write your group's notes and answers on the notepad.

These questions are meant as a guide to encourage meaningful dialogue, so feel free to go beyond these questions to discuss what's truly at the heart of the issues for you and your group.

1. Would you support "gentle density" (duplexes / cottages) in your town if it meant saving rural farmland elsewhere?
2. What safeguards (design, size) would make these acceptable in your neighborhood?
3. In what ways can the County's comprehensive plan better support the housing priorities of Levy County?
4. What specific trades and industries are most needed in Levy County?
5. How can we better support family farms and aquaculture businesses to employ the next generation?
6. In what ways can the County's comprehensive plan better support the economic priorities of Levy County?
