Dear Contracts Manager,

On September 1, 2019 Levy County reverted to the Holdover Term provided in the Original Agreement (commencement date: September 1, 2014) for the Cedar Key Tower. As of the date of this letter, all of Levy County's equipment has been removed from the Cedar Key Tower referenced above and we no longer need to maintain our Agreement under the Holdover Term. Please accept this as our written notice to terminate our month-to-month extension under the Holdover Provision.

Levy County appreciates American Tower, LP's consideration in this matter. If you have any questions, please do not hesitate to contact Chief Mitch Harrell at 352-486-5209.

Respectfully,

Russell Meeks Jr.
Chairman
