Subject: Road Paving #111 4551 NE 155th Avenue

Good morning,

I wanted to get my road on the paving list. Our road has a church at the end of it and because of this it is a busy dirt road and it seems we have to have our road graded often. I don't know if there is anything else that needs to be done on my part but if there is please let me know.

I was told to make sure I have this information included in my email.

Road#111
4551 NE 155th Ave, Williston FL 32696

Please put us on the NEEDING to have our ROAD PAVED List!!! Our road is in HORRIBLE condition and DESPERATELY needs to be paved!! Please put us on the list of needing our road paved?? We have lived on this road for over 2yrs, and in this neighborhood for over 11yrs. This road is worse than a foreign country's road!! It's destroying our vehicles and has TONS of potholes constantly on it! There are between 20-30 families that live directly on this road, as well as a church at the end of the road and cemetery next to it. Linda fugate also lives on our road!! But on top of this all, we are not the only ones who use this road daily! There is another 20-30 plus families that come on, and use this road because it's the safest way to access the highway from this neighborhood. So MOST of the families in these 3-4 roads ALSO use this side of 155th Ave to get on 27. The road is in such poor condition, even when we get dirt brought in and the road is graded, it's only a few days that go by before it's EXTREMELY bad again!! You seriously can't go more than a few mph and still are BEAT UP to death just driving down it. We have New cars and the road is literally tearing them apart!!! This is VERY FRUSTRATING since I grew up in Haiti and this is the US and this road is WORSE...

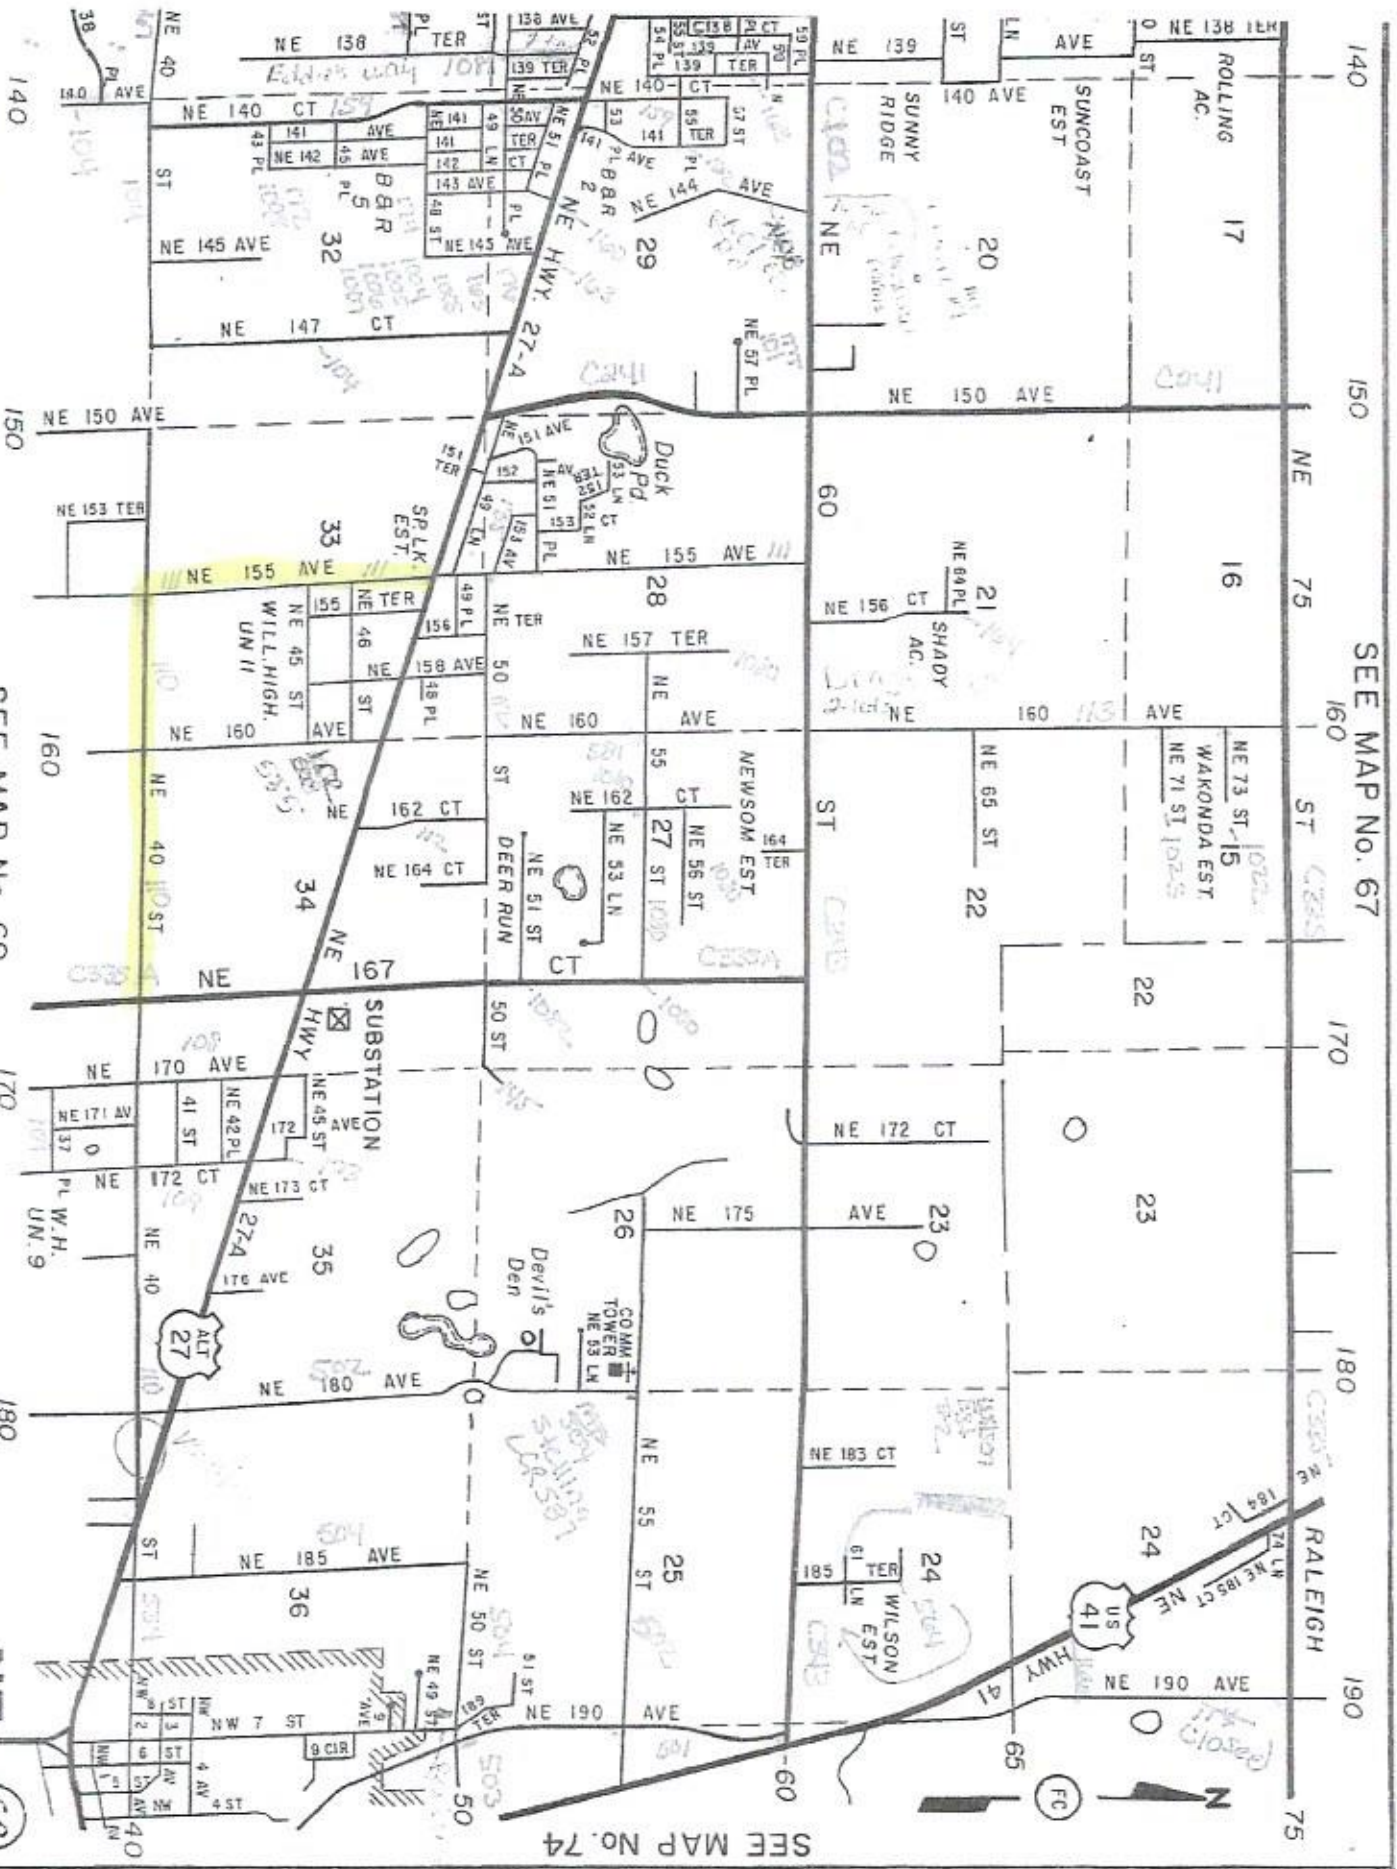

PS... this road has had loads of complaint, look in the files!

Like I said, I want to be put on the "pave road list" and please let me know when I'm on!! Thanks, Katharine
