Dear Chairman Gray:

On behalf of the Levy County Board of County Commissioners, this letter is being sent in support of the North Florida Economic Development Partnership's (NFEDP) 2021 Regional Rural Development Grant application to be submitted to the Florida Department of Economic Opportunity to benefit the economic development and growth of the North Florida Rural Area of Opportunity (RAO).

Levy County has been a member of the NFEDP since the inception of the Partnership and continues to support its growth and successes through its active participation, and Levy County's per capita membership dues paid annually. We anticipate continued progress for all 14 counties in the North Central Florida RAO and are pleased to actively participate in the many initiatives and efforts to promote economic development within the NFEDP.

Sincerely,

Matt Brooks
Chairman
