2. **Department:** Board of County Commissioners
3. **Meeting Date:** Tuesday, January 27, 2026

4. **Requested Action:**

Approve TASK ASSIGNMENT 2026-2 between Levy County and Dewberry Engineers Inc. for \$204,000.00 to update the Levy County Vulnerability Assessment.

5. **Cost & Funding Source:**

The County has received \$204,000.00 from the Florida Department of Environmental Protection (FDEP) Resilient Florida Grant Program to update the Levy County Vulnerability Assessment.

6. **Justification of Request:**

Levy County previously completed a grant-funded county-wide Vulnerability Assessment and is under contract for a grant-funded Adaptation Plan. This third grant award will update the data that was compiled during the initial Vulnerability Assessment.

Dewberry Engineers completed the Vulnerability Assessment for Levy County and is under contract to complete the Adaptation Plan. Staff recommends that it makes sense for Dewberry to also complete the Vulnerability Assessment Update.
