Dear Levy County,

Please accept this letter and the attached report as Meridian's request for FY2026 funding. As you know, Meridian seeks local matching funds from the counties we serve so that we can meet our requirements to generate local match for State and Federal funds. Those funds support services to those who cannot afford them.

We are requesting funding in the amount of \$91,932, to go toward Meridian's required local match. The details of our funding and our FY2026 request are within the presentation.

Please let us know the date and time of the next regularly scheduled commission meeting, so we can present our report in person. We are happy to answer any questions you may have in the meantime.

Sincerely,

Lauren Cohn
President / CEO
