As part of the Comprehensive re-write planned over the next 1.5 years a survey is a way to gain a decent guide on growth patterns and other issues related to future planning in Levy County. The Planning Commission reviewed the survey at their June 3rd meeting and staff will discuss some of the edits they would like made. We would like to finalize the survey at this meeting in order to keep on schedule for the Comprehensive Plan re-write. Topics for this endeavor relate directly to the Comprehensive Plan (long-term plan) and not the Land Development Code. Staff will clarify why some things are on the survey and why some things are not as it relates to long-term planning.
