Members of the Jury,

On behalf of the citizens of Simsboro. I am requesting that you remove the structure at the corner of HWY 80 and Martha St. (HWY 507). It is so badly deteriorated that it has become an eye-sore, but more importantly, it has become dangerous. Pieces are hanging from the awning and children play in that area.

We would greatly appreciate your attention to this matter.

Thank you,

A handwritten signature in blue ink that reads "Sybil Foster".
