To enact R.S. 25:225, relative to libraries; to provide relative to the adoption of certain library policies; to provide relative to a minor's access to sexually explicit materials; to provide for immunity; to provide relative to payments of certain expenses by governing authorities and consideration of certain applications by the State Bond Commission; to provide for definitions, terms, conditions, and procedures; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 25:225 is hereby enacted to read as follows:

**§225. Library policy; definitions; minor's access to sexually explicit materials; immunity; penalties**

**A. The legislature recognizes the fundamental right of parents to make decisions as to the care, custody, and control of their children. This fundamental right includes the right to decide the upbringing and education of children under their control. Parents have the right to guide and direct the reading, listening, and viewing choices of their minor children. 2        **minors to sexually explicit materials.**

3                **B. As used in this Section, the following terms shall have the following**  
4        **meanings:**

5                **(1) "Digital content" means any book, e-book, audiobook, video book,**

7        **in a digital format.**

8                **(2) "Library patron" means an individual who is eligible to receive a**  
9        **library card from the parish or municipal library.**

10               **(3) "Sexual conduct" means any of the following:**

12        **the genitals, pubic hair, anus, vulva, or female breast nipples.**

13               **(b) Sadomasochistic abuse, meaning actual, simulated, or animated,**  
14        **flagellation, or torture by or upon a person who is nude or clad in**  
15        **undergarments or in a costume that reveals the pubic hair, anus, vulva, genitals,**

17        **otherwise physically restrained, on the part of one so clothed.**

18               **(c) Actual, simulated, or animated touching, caressing, or fondling of,**  
19        **or other similar physical contact with a pubic area, anus, female breast nipple,**  
20        **covered or exposed, whether alone or between humans, animals, or a human**  
21        **and an animal, of the same or opposite sex, in an act of apparent sexual**  
22        **stimulation or gratification.**

23               **(d) Actual, simulated, or animated stimulation of a human genital organ**  
24        **by any device whether or not the device is designed, manufactured, or marketed**

28               **(4) "Sexually explicit material" means textual, visual, or audio material,**  
29        **produced in any medium, that depicts or describes sexual conduct.**

1                    C.(1) No later than January 1, 2024, each library established pursuant  
2                    to the provisions of this Part or pursuant to the authority of a home rule charter  
3                    as provided in Article VI, Section 5 of the Constitution of Louisiana shall adopt  
4                    and implement a policy to limit the access of minors to sexually explicit  
5                    material.

6                    (2) The policy shall include, at a minimum, all of the following:

7                    (a) A requirement that community standards for the population served  
8                    by the library be considered when acquiring library material through donation  
9                    or purchase.

10                   (b) A library card system that allows a parent or guardian to select a  
11                   library card that indicates whether a minor is permitted to check out sexually  
12                   explicit material physically available in the library. The provision of this  
13                   Subparagraph shall be satisfied by either of the following:

14                   (i) Allowing a parent or guardian to select a library card that restricts  
15                   a minor from checking out any library material from a collection that contains  
16                   sexually explicit material.

17                   (ii) Allowing a parent or guardian to select a library card that restricts  
18                   a minor from checking out any library material that the library board of  
19                   control has, through majority vote in an open meeting, identified as sexually  
20                   explicit material.

21                   (c) A library card system that allows a parent or guardian to select a  
22                   library card that indicates whether a minor is permitted to check out digital  
23                   content. The library shall list in the library's policy each digital content source  
24                   accessible by a minor that contains sexually explicit material.

25                   (d) A procedure that allows a library patron to request the  
26                   reconsideration of whether a library material should be included in a library  
27                   collection. The procedure shall, at a minimum, include all of the following  
28                   items:

29                   (i) A process to review a reconsideration request made by a library

the access of minors to sexually explicit material.

Proposed law requires the policy to include, at a minimum, the following:

- (1) A requirement that community standards for the population served by the library be considered when acquiring library material through donation or purchase.
- (2) A library card system that allows a parent or guardian to select a card that indicates whether a minor is permitted to check out sexually explicit material physically available in the library. This may be accomplished by either:
  - (a) Allowing a parent or guardian to select a library card that restricts a minor from checking out any library material from a collection that contains sexually explicit material.
  - (b) Allowing a parent or guardian to select a library card that restricts a minor from checking out any library material that the library board of control has, through majority vote in an open meeting, identified as sexually explicit material.
- (3) A library card system that allows a parent or guardian to choose a library card that indicates whether a minor is permitted to check out digital content. The library is required to list in the library policy each digital content source accessible by minors that contains sexually explicit material.
- (4) A procedure that allows a library patron to request the reconsideration of whether a library material should be included in a library collection. The procedure shall include, at a minimum, the following:
  - (a) A process to review a reconsideration request. This process shall include but is not limited to a written determination approving or denying the request, a process to notify the library patron making the request of the written determination, and the process to appeal the determination to the library board of control.
  - (b) A requirement that a request for reconsideration of a library material that may include sexually explicit material be reviewed by the library board of control.

Proposed law provides for immunity of employees and agents of the library.

Proposed law allows a parish or municipality governing authority to withhold payments for maintenance costs and other expenses from a library that fails to adopt and implement the policy required by proposed law.

Proposed law prohibits the bond commission from considering any application authorizing the incurrence of debt or any application authorizing the levy of any tax where the proceeds of the debt or tax directly benefit any library that fails to adopt and implement the policy required by proposed law until the library adopts and implements the policy required by proposed law.

Effective August 1, 2023.
