

To the Lincoln Parish Library Board of Control:

I would like to express an interest in the Lincoln Parish Library Board of Control. I reside in the Ruston community and a patron of the Library.

I had a rewarding career of 30 years with the Federal Government and worked with the Department of Justice(Federal Bureau of Prisons) as an Education Program Manager. This job included managing the operation of the Education Department Library Program serving the federal inmate population.

The Education Library Program included; Law Library, Leisure Library, and the Interloan Library Program. I conducted Education Library Program reviews and audits for program compliance with policies and procedures.

Since retiring and residing in Lincoln Parish, my community involvement includes; Quota, Goodwill Lunching, Inc., North Central Louisiana Master Gardener, Friends of the Library, Ruston Peach Festival Committee, and the Krewe of Pomona.

My past experiences in Education coupled with my desire to work with the Lincoln Parish Library Board of Control allows me to continue community service.

Thank you!

Sabrina Martin-Watley
