Dear Mr. Melton and Ms. Canterbury:

It is with great enthusiasm and a deep commitment to community service that I, Carla Harvey Moore, submit my letter of interest for a seat on the Lincoln Parish Library Board. My lifetime passion for reading and service to the people aligns perfectly with the mission of your organization. I am a resident of Grambling, LA, and was born, reared, and educated in Lincoln Parish. I am a retired social worker from the Louisiana Department of Children and Family Services (DCFS), where I worked for over 30 years in multiple facets of social work delivery. I currently serve as president of the Lincoln Parish Council on Aging Board of Directors. For many years I previously served on the Louisiana State Board of Social Work Examiners, and I currently serve as a Director at Large on the Association of Social Work Boards. My professional journey has been centered around connecting with diverse community groups, understanding their needs, and engaging in programs that resonate with them. Thank you for considering my interest. I am looking forward to the opportunity to contribute and collaborate to LPLB in advancing the important work of the library.

Kind regards,

Carla Harvey Moore
