Dear Lincoln Parish Police Jury,

On behalf of Mr. Jack R. Snow, President, and the other board members of Waterworks District #3, I am requesting a fee increase for billing and collecting sewer fees for Lincoln Parish Sewerage District #1. The current rate of \$525 per month has been in place for over fifteen years and in that time there have been increases in labor, postage, and supplies. The proposed new rate is \$1000 per month.

I also ask that a new contract be drawn up so there is no confusion on what is expected between our two entities.

Sincerely,
