**Subject:** Register for Love the Boot Week! April 17-23

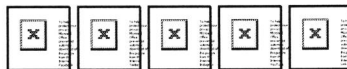

### Be a Part of Louisiana's Largest Litter Cleanup April 17-23!

Keep Louisiana Beautiful invites you to participate in the second annual Love the Boot Week, the state's largest litter cleanup and beautification event held statewide April 17-23! Addressing the litter problem in Louisiana is a responsibility we all must share. Only with **everyone in every parish** working together and doing their part will we be able to achieve our goal of ending litter in Louisiana.

Love the Boot Week empowers companies, non-profit organizations, state and local governmental entities, schools, families, and individuals to clean up their communities. Last year, **8,476 volunteers** removed **293 tons of litter** at **280 events** spanning **54 parishes**. This year we aim to double our impact, and we need your help!

The first 250 organizations to register an event will receive a free supply pack with volunteer t-shirts, gloves, and trash bags. The first 100 individuals or families to register an event will receive a free day pass to a Louisiana State Park. Can't organize an event? No problem! Find an event happening near you on [lovetheboot.org](http://lovetheboot.org) and volunteer.
