129 Tatum St in Dubach is complaining that when it rains the ditches fill up with water and overflows into her yard. Please let me know who I need to be contacting about this. I think the ditch needs digging out..

An address at 1213 Henry Rd in Dubach is hereby giving permission for the parish to extend the driveway and dig out the ditch at this location. They have spoken to Tom Burnside about this and he indicated they would need the Town to send a letter to Lincoln Parish Police Jury.

Please let me know if I need to do anything else.
