#### Executive Summary

For many years, the Lake Forest Park Police Department (Department) has been awarded traffic safety funds from the Washington Traffic Safety Commission (WTSC) to reduce traffic-related deaths and serious injuries from impaired and distracted drivers. This resolution authorizes the City to accept \$4,000 in grant funds from WTSC for the King County Target Zero High Visibility Enforcement (HVE).

#### Background

The Department has been awarded traffic safety funds to participate in a countywide effort to reduce traffic-related deaths and serious injuries from distracted drivers. The WTSC coordinates multijurisdictional enforcement teams called "Target Zero" teams, whose goal is to reduce the number of people killed or seriously injured by impaired drivers in King County through aggressive, multi-jurisdictional, high-visibility patrols using an integrated systems approach to traffic safety which is evidenced-based and targets the locations where the most safety benefit can be realized.

The Department is part of the Region 7/8 Traffic Safety Task Force (Region 7/8). As a sub-recipient in Region 7/8, the City has been awarded the following by WTSC:

**Target Zero Campaign:                    \$4,000**

The funds are anticipated to be used for straight time or overtime shifts scheduled to have the greatest impact on enforcement.

**Fiscal & Policy Implications**

For the past several years, the Department has been awarded traffic safety funds to participate in a countywide effort to reduce traffic-related deaths and serious injuries from impaired and distracted drivers.
