Executive Summary

The City has a general duty to maintain its rights-of-way in a safe manner. The focus of this work session is on trees and vegetation located in or encroaching into the City's rights-of-way. We will provide information regarding routine maintenance, notice and documentation of potential hazards, and how the City addresses potentially hazardous situations.

Staff Recommendation

Discuss policy and procedure implications of managing tree and failure and vegetation removal from the City's rights-of-way.
