Equity Primer

Equity-forward language is emphasized in GMA, PSRC Vision 2050, and King County CPPs.

Equality means each individual or group of people is given the same resources or opportunities.

Equity considers the specific needs or circumstances of a person or group and provides the resources needed to be successful.

Equity Review and Evaluation

Goal and Policy Evaluation Questions:

1. What do we intend to protect or prevent?
2. Who benefits, and how? Who is burdened, and how?
3. Does this contribute to identified racially disparate impacts, displacement, or exclusion?
4. Can the benefits be more widely distributed? Can the burdens be minimized or more widely shared?
5. Did impacted community members help identify new goals and policies?
6. Were policy and goal additions, alternatives, or improvements to undo racially disparate impacts addressed?
7. Were anti-displacement policies included to support those who are most at risk of physical, economic, or cultural displacement?
8. Does the policy language provide clear direction for implementation?
9. Are the policies clear in their intent, and do they provide clarity for measurement and tracking purposes?
