#### Executive Summary

In the 2025-2026 biennial budget, the City allocated \$10,000 per year to the Kellogg Middle School "Hang Time" after-school program. This funding will support operational costs for organizing and administering the program. Under this agreement, the City of Shoreline will report on the services it provides bi-annually and include an outcome progress report.

#### Background

The Hang Time program at Kellogg Middle School was originally administered by the YMCA. In 2022, the YMCA decided to discontinue it. The City of Shoreline knows the program's importance and is now running it. City funds will help fund personnel and/or program supplies.

**Fiscal & Policy Implications**

The City's contribution allows the City of Shoreline to provide Hang Time activities and programs for Lake Forest Park youth at Kellogg Middle School.

**Alternatives**
