

RESOLUTION NO. 24-1958

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE FOREST PARK, WASHINGTON, SUPPORTING THE ADDITION OF A HEALTHY STREETS INITIATIVE WITHIN THE NEIGHBORHOOD TRAFFIC CALMING PROGRAM TO INCREASE SAFETY AND ENJOYMENT OF RESIDENTS ON THEIR STREETS.

WHEREAS, the City recognizes the importance for everyone to enjoy shared public spaces; and

WHEREAS, the City has many public residential streets where residents enjoy taking walks, walking their pets, socializing with neighbors, and playing with friends; and

WHEREAS, vehicles traveling at excessive speeds or traveling near pedestrians can create unsafe conditions, therefore discouraging people from using their streets for nonmotorized uses; and

WHEREAS, many of these public residential streets do not qualify for or would require cost prohibited traffic calming measures through the City's Neighborhood Traffic Calming Program; and

WHEREAS, the Neighborhood Traffic Calming Program would benefit from having another option when current options are too costly or would produce an undesirable outcome; and

WHEREAS, the opening of two Link Light Rail stations in Shoreline will potentially increase traffic through our City, a portion of which may utilize residential neighborhood streets; and

WHEREAS, the Lake Forest Park Police Department is committed to the Washington Traffic Safety Commission Target Zero initiative to reduce traffic deaths and serious injuries to zero by 2030; and

WHEREAS, "Healthy Streets" is a term used to describe streets that are designated as places open to people walking, rolling, biking, and playing while not allowing vehicles other than those operated by local residents, guests, emergency services, deliveries, and other essential vehicles to utilize Healthy Streets; and

WHEREAS, designating certain residential streets as a Healthy Street can promote more pedestrian friendly streets.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Lake Forest Park, as follows:

SECTION 1. ADOPT. The City Council of the City of Lake Forest Park, Washington, supports the inclusion of a Healthy Streets initiative to increase pedestrian safety and the enjoyment of residents on their streets and directs the administration to include Healthy Streets as a possible solution to address requests for traffic calming that provides for the following.
