Executive Summary

Before Council is the proposed 2023-24 State Legislative Agenda, outlining the top priorities of the City. The priorities are either projects of a regional nature in need of financial support or focused on State policies that have local implications.

Background

Prior to upcoming legislative sessions, the City Council adopts a legislative agenda reflecting the priorities of the City and its support of elements of the Association of Washington Cities and Sound Cities Association's legislative agendas that best serve the interests of the City.

The City's Legislative Steering Committee, consisting of the Mayor, Deputy Mayor, Council Vice-Chair, City Administrator, and Finance Director, meet with Shelly Helder, Gordon Thomas Honeywell Government Relations, to craft a draft legislative agenda. The draft document is based on discussions between the Mayor and Council throughout the year regarding the priorities of the City.
