**2022 REALLOCATION CONSERVATION FUTURES LEVY PROCEEDS
CITY OF LAKE FOREST PARK ALLOCATION**

Jurisdiction	Project Name	Allocation
Lake Forest Park	Lake Front Property	\$625,000
TOTAL		\$625,000

Project Description:

Project #1139013 (Award #1143304): Lake Forest Park – Lake Front Property

Lake Forest Park has acquired 1.91 acres of lakefront property as a future city park. Lyon Creek Waterfront Preserve is located next door, but public water access is limited as most of the site is a creek delta. The target property is located near the Burke-Gilman Trail and may serve as a nearby stopping point for trail visitors to use, making the project regionally significant. The CFT-encumbered footprint had a more expensive valuation than originally was estimated, with valuations verified in reviewed appraisals. This project receives a 2022 reallocation to fully fund the CFT-encumbered portion of the property and complete the proposed vision. Project funding was authorized in King County Ordinance 19479.
