Executive Summary

The purpose of this agenda bill is to provide the City Council with an opportunity to review the first amendment to the Interlocal Cooperation Agreement (“ICA”) Regarding the Community Development Block Grant (CDBG) Program Between the City of Lake Forest Park and King County.

- CDBG is federal funding that the US. Department of Housing and Urban Development (HUD) sends to the King County Consortium for capital projects and human services programs in the County.
- The City Council approved the 2015-2017 Interlocal Cooperation Agreement Regarding the Community Development Block Grant (CDBG) Program in August 2014.
- The ICA has renewed for 3-year terms since then.
- On July 21, 2023, King County notified the City, along with 28 other local jurisdictions, that HUD is requiring an amendment to the ICA to include language related to fair housing and civil rights obligations.
- King County has explained that the City must sign the amendment by August 21, 2023, to keep King County and the King County Consortium in HUD compliance for 2024-2026.

Background

In August 2014, the City of Lake Forest Park entered into an interlocal cooperation agreement (pursuant to RCW Ch. 39.34) with King County to allow the City of Lake Forest Park to apply through King County for federal Community Development Block Grant (“CDBG”) funding for public infrastructure and park projects that serve moderate to low-income neighborhoods. In addition, the interlocal consortium provides community members and non-profits options to apply for home repair grants or loans, support homelessness, and human service funding, among others.

Fiscal & Policy Implications

King County has informed the City that an amendment to the ICA is required prior to August 21, 2023, in order to maintain federal funding. King County has been notified by HUD that since King County is responsible to the federal government for all activities undertaken with CDBG funds and is responsible for all certifications and reporting to HUD that all agreements for CDBG funds must have language incorporating fair housing and civil rights obligations or the King County Consortium will lose HUD funding. The proposed first amendment restates existing ICA Section 1 with the addition of such language.

King County has stated that If the amendment is not approved, King County’s status as an “Urban County” would be void and HUD funds will not be available to the City of Lake Forest Park and potentially the entire King County Consortium in 2024-2026.
