Dear Matt,

I'm writing in strong support of Fiaz Mir for the interim City Council Position #2. I've known Fiaz as a thoughtful neighbor, engaged parent, fellow-pickleball enthusiast and committed community member.

Fiaz has lived in Lake Forest Park for eight years — raising his family here, sending his kids to Lake Forest Park Elementary, supporting local businesses, and staying active in the life of our city. His passion for the community is deeply personal. He also brings an exceptional professional background, including 12 years in city and regional planning, with roles in local government and consulting for major agencies like LA Metro and the State of California. Combined with his MBA from UCLA and experience in tech leadership roles at companies like Amazon, Fiaz brings both policy depth and forward-thinking problem-solving to the table.

He's someone who understands the value of thoughtful growth, community character, and responsible governance. I believe he would be a valuable addition to the City Council.

Thank you for considering this outstanding candidate.

Thank you,
Becky Hamilton
