

Climate Action Committee 2024 Work Plan

Project Summary

Present the Climate Action Plan -

Will prepare a presentation for the City Council on the CAC's Climate Action Plan. The CAC will share this presentation with the Planning Commission, the public, and other local community groups.

Legislative Recommendations –

Identify legislation to recommend to the City Council. Identify model legislation from other jurisdictions.

Outreach to the Public -

Determine a plan for outreach and public education for newsletters, public meetings, and coordinate how to participate in the city's public events for best outreach.

Coordination with the Planning Commission –

Will work to achieve the best way to coordinate climate effort with the Planning Commission.
