Letter of Intent

City of Loganville- letter of intent for requested variance located at 0 North Sharon Church Road, Loganville GA.

On behalf of Billy Scott Stephens – Estate of Barbara Stephens

Variance requested to reduce requirements of build line from 125 to 100 feet on said property. Property was purchased with 3 other lots all part of Overlook subdivision. All 3 lots have homes built on them. LG060046 was part of the Estate of Barbara Stephens. At her death, heir to the estate, wishes to sale property. To sell property, variance needs to be approved for 100 feet build line per City of Loganville.

Present zoning R22 complies with residential building.

Not approving the variance becomes a hardship on sale of property. Property is zoned R22, thus deemed residential build.

Current owner, Billy Scott Stephens, does not have intent to build on property. Parties interested in buying property have expressed intent to build on property. At this time there is not a plan in hand for home to be placed on property. The only intent for requested variance is to meet requirements to sale property.
