## **LETTER OF INTENT FOR ANNEXATION AND REZONE APPLICATION FOR EDDIE H. ATHA**

Tim Prater submits this Letter of Intent and the attached annexation application (the “Application”) on behalf of Eddie H. Atha (the “Property Owner and Applicant”), relative to an existing single-family dwelling on approximately 4.103 +or- acres of land (the “Property”) located at 4109 Chandler Haulk Rd. The property is currently zoned A-1. The Applicant requests that the City annex and rezone the Property to the (R-44) single-family residential classification. The Property’s location on Chandler Haulk provides easy access to Highway 20 as well as to the Highway 78 corridor. The Applicant is proposing no changes to the current structure on the Property for use as a single family dwelling. The structure will remain as a residential dwelling.

The proposed annexation is compatible with the surrounding uses and land use on Chandler Haulk Rd. The property is surrounded by property zoned Single family as well as multi family within the City of Loganville. The property is surrounded by property within the City of Loganville. Abutting property to the east of the Applicants property is zoned R-16 as well as abutting property to the north. Abutting properties to the south are zoned R-44. The abutting property to the west is zoned R-22, however and except for the property approximately 1000 ft. to the west zoned RM-8.

Although the Property is not within the city limits it is designated on the Future Land Use Map as resident, as it is currently part of the County, the property is surrounded by property within the city limits and are zoned as residential on the Future Land Use Map. The proposed Annexation and rezone are in line with the growth of the city limits and would eliminate currently zoned islands inside the city limits.

The state zoning procedure law specifically encourages the reduction of islands when possible. Due to the designation on the Future Land Use Map for the Property and the dominance of the surrounding Property within the city limits, the applicant submits that the proposed annexation is in line with the spirit and intent of the Comprehensive Plan, Future Land Use Map and qualifies for annexation under the city’s zoning ordinance and state zoning procedure law.

The proposed annexation and rezone are compatible with existing land use and zoning classifications of the surrounding area, is in line with the spirit and intent of the Comprehensive Plan, and is an appropriate land use due to the Property's close proximity to the City limits.

The Applicant and myself welcome the opportunity to meet with staff of the City of Loganville Department of Planning and Development to answer any questions or to address any concerns related to the matters set forth in this letter or in the Application filed herewith. The Applicant respectfully requests your approval of the Application.

Respectfully submitted the \_\_\_\_\_ day of March, 2025
